QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING AND VOTING

Why is the annual meeting held in a virtual, online-only format this year?

We are holding our 2026 annual meeting in a virtual, online-only format this year due to cost savings and other efficiencies resulting from conducting a virtual meeting. We believe that the virtual meeting format will facilitate stockholder attendance and participation at the annual meeting by enabling stockholders to participate remotely from any location without incurring the travel costs and time of attending the meeting in-person.

What is the purpose of the annual meeting?

Our 2026 Annual Meeting will be held for the following purposes:

1. To elect the eleven nominees named in this proxy statement for director to hold office until the 2027 annual meeting of our stockholders.
2. To adopt and approve an amendment to our Restated Articles of Incorporation increasing the number of authorized common voting shares ("common stock") from 150,000,000 to 250,000,000.
3. To approve an amendment to our 2019 Omnibus Equity Incentive Plan to reserve an additional 3,000,000 shares for issuance under the plan.
4. To ratify the selection by the Audit Committee of the Board of Directors of Cherry Bekaert LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2026.
5. To transact such other business as may properly come before the meeting or any adjournments of the 2026 Annual Meeting.

Who can vote?

You may vote if you were a stockholder of Galectin Therapeutics as of the close of business on the record date, October 6, 2026. Shares outstanding on the record date are the following:

- 100,849,644 shares of common stock, par value \$0.001 per share ("Common Stock")
- 1,185,500 shares of Series A 12% Convertible Preferred Stock, par value \$0.01 per share ("Series A Preferred Stock").

The shares of Series A Preferred Stock vote on an as-converted basis with the shares of Common Stock. The shares of our Series C Super Dividend Convertible Preferred Stock, par value \$0.01 per share ("Series C Preferred Stock") do not have voting rights prior to conversion to Common Stock. The shares of the Series A Preferred Stock and the Series C Preferred Stock are hereafter referred to as the "Preferred Stock".

How many votes do I have?

Each share of our Common Stock that you own on the record date entitles you to one vote on each matter subject to a vote. Each share of Series A Preferred Stock that you own on the record date entitles you to one-sixth vote (i.e. six shares of Series A Preferred Stock equals one vote) on each matter that is submitted to a vote of holders of our Common Stock.

Directors and executive officers of Galectin Therapeutics own or control the voting of 46,583,767 shares of Common Stock or the common equivalent of voting Preferred Stock, representing approximately 46% of the total outstanding voting shares at the record date. We expect all of these shares will be voted **FOR** all of the proposals.

How do I vote?

If you are the record holder of your shares, meaning that you own your shares in your own name and not through a bank or brokerage firm, you may vote as follows:

1. **You may vote by mail.** You may vote by completing and signing the proxy card enclosed with this proxy statement (or by requesting a paper copy of the materials if you only received an electronic version) and promptly mailing it in the enclosed postage-prepaid envelope. You do not need to put a stamp on the

enclosed envelope if you mail it from the United States. The shares you own will be voted according to your instructions on the proxy card you mail. If you return the proxy card, but do not give any instructions on a particular matter described in this proxy statement, the shares you own will be voted in accordance with the recommendations of our Board of Directors.

2. **You may vote by Internet prior to the 2026 Annual Meeting.** You may vote over the Internet as instructed on the proxy card enclosed with this proxy statement and accessing www.proxyvote.com. The shares you own will be voted according to your instructions on the proxy card submitted electronically. If you return the proxy card, but do not give any instructions on a particular matter described in this proxy statement, the shares you own will be voted in accordance with the recommendations of our Board of Directors.
3. **You may vote during the 2026 Annual Meeting.** If you attend the 2026 Annual Meeting virtually by visiting www.virtualshareholdermeeting.com/GALT2026 at 11:00 a.m. Eastern Standard Time on December 3, 2026, you may vote during the 2026 Annual Meeting. You will need the 16-digit control number included on your notice of Internet availability of the proxy materials, on your proxy card or on the instructions that accompanied your proxy materials.

How does the Board of Directors recommend that I vote on the proposals?

The Board of Directors recommends that you vote:

FOR the election of each of the eleven nominees to serve as directors on the Board of Directors until our 2027 annual meeting of stockholders.

FOR adopting and approving an amendment to our Restated Articles of Incorporation increasing the number of authorized common voting shares ("common stock") from 150,000,000 to 250,000,000.

FOR approving an amendment to our 2019 Omnibus Equity Incentive Plan to reserve an additional 3,000,000 shares for issuance under the plan.

FOR the ratification of the selection of Cherry Bekaert LLP, as our independent registered public accounting firm for the 2026 fiscal year.

Is my vote important?

Your vote is important no matter how many shares you own. Please take the time to vote. Take a moment to read the instructions in this proxy statement. Choose the way to vote that is the easiest and most convenient for you and cast your vote as soon as possible.

What if I return a proxy card but do not make specific choices?

Any proxy card returned without directions given will be voted (1) "**FOR**" the election of the nominees presented in this proxy statement to the Board of Directors, (2) "**FOR**" adopting and approving an amendment to our Restated Articles of Incorporation increasing the number of authorized common voting shares ("common stock") from 150,000,000 to 250,000,000, (3) "**FOR**" approving an amendment to our 2019 Omnibus Equity Incentive Plan to reserve an additional 3,000,000 shares for issuance under the plan, (4) "**FOR**" the ratification of the appointment of Cherry Bekaert LLP as our independent registered public accounting firm to audit the financial statements for our 2026 fiscal year, and (5) as to any other business that may come before the 2026 Annual Meeting, in accordance with the judgment of the person or persons named in the proxy.

Will my shares be voted if I do not provide my proxy?

Your shares may be voted if they are held in the name of a brokerage firm, even if you do not provide the brokerage firm with voting instructions. Brokerage firms have the authority to vote shares for which their customers do not provide voting instructions on certain "routine" matters.

The proposals relating to the election of directors, and an amendment to our Omnibus Equity Incentive Plan are not considered "routine" under applicable rules. When a proposal is not a routine matter and the brokerage firm has not received voting instructions from the beneficial owner of the shares with respect to that proposal, the brokerage firm cannot vote the shares on this proposal. This is called a "broker non-vote."

The proposals to adopt and approve an amendment to our Restated Articles of Incorporation increasing authorized common shares and to ratify the selection of Cherry Bekaert LLP as our independent auditor for fiscal year 2026, are considered a routine matter for which brokerage firms may (or may not) vote shares for which they have not received voting instructions. Several large brokerage firms, such as Charles Schwab have announced that they have eliminated discretionary voting for even “routine” matters. Therefore, if you hold your shares through such brokerage firms, then your shares might not be voted, even for “routine” matters if you do not give voting instruction to your broker. Therefore, we urge every shareholder to vote their shares.

Can I change my vote after I have mailed my proxy card or after I have voted my shares?

Yes. You can change your vote and revoke your proxy at any time before the polls close at the meeting by doing any one of the following things:

- signing another proxy with a later date;
- giving our Corporate Secretary, Jack W. Callicutt, written notice to that effect. He may be contacted at 4960 Peachtree Industrial Blvd., Suite 240, Norcross, GA 30071; telephone: 678-620-3186; e-mail: callicutt@galectintherapeutics.com;
- voting again prior to the time at which the Internet voting facilities close by following the procedures applicable to that method of voting, as directed on the enclosed proxy card; or
- attending the 2026 Annual Meeting virtually via the Internet and voting during the meeting.

How can I access the proxy materials over the internet?

You may view and also download our proxy materials, including the 2025 Annual Report, our Form 10-K for the year ended December 31, 2025, and the Notice by accessing www.proxyvote.com and on our website at www.galectintherapeutics.com

Who pays for the solicitation of Proxies?

The solicitation of proxies in the enclosed form is made on behalf of the Board of Directors. Our officers, directors and employees may solicit proxies but will not be additionally compensated for such activities. We are also working with brokerage houses and other custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of shares held of record by such institutions and persons. We will reimburse their reasonable expenses.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if at least one-third of the outstanding shares entitled to vote are represented by stockholders present at the meeting or by proxy. On the record date, there were 101,072,606 shares of Common Stock outstanding or deemed outstanding based on voting rights of Series A Preferred Stock on an as-converted basis. Thus, 33,690,869 shares must be represented by stockholders present at the meeting or by proxy to have a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If a quorum is not present, the meeting will be adjourned until a quorum is obtained.

What vote is required for each item to pass?

Election of Directors. Directors are elected by a plurality of the votes cast by the holders of shares entitled to vote in the election. There are eleven nominees and eleven positions to be filled; this means that the eleven individuals receiving the most votes will be elected. Abstentions and broker non-votes will not be relevant to the outcome, but abstentions and votes “withheld” are counted for the purpose of establishing a quorum.

Amendment to our Restated Articles of Incorporation. Approval of the amendment to our Restated Articles of Incorporation, requires a majority of the outstanding shares of the Company, voting as a single class. . Accordingly, abstentions and broker non-votes will have the same effect as a vote “against” on this proposal.

Amendment to our 2019 Omnibus Equity Incentive Plan. The votes cast “for” must exceed the votes cast “against” in order to approve the amendment to our 2019 Omnibus Equity Incentive Plan to reserve an additional 3,000,000 shares for issuance under the plan. Abstentions will be counted for the purpose of establishing a quorum but will not be relevant to the outcome.

Ratification of independent registered public accounting firm. The votes cast “for” must exceed the votes cast “against” in order to ratify the selection of Cherry Bekaert LLP, as our independent registered public accounting firm. Abstentions will be counted for the purpose of establishing a quorum but will not be relevant to the outcome.

The proposals relating to (i) the election of directors and (ii) the amendment to our Equity Incentive Plan are not considered “routine” under applicable rules. When a proposal is not a routine matter and the brokerage firm has not received voting instructions from the beneficial owner of the shares with respect to that proposal, the brokerage firm cannot vote the shares on this proposal. This is called a “broker non-vote.”

If your shares are held in street name and you do not provide voting instructions to your broker, bank or other nominee, your broker is entitled to vote your shares with respect to the proposals to ratify the selection of Cherry Bekaert LLP as our independent auditor for fiscal year 2026, because these proposals are considered routine matters for which brokerage firms may (or may not) vote shares for which they have not received voting instructions. Several large brokerage firms, such as Charles Schwab have announced that they have eliminated discretionary voting for even “routine” matters. Therefore, we urge every shareholder to vote their shares.

What is “householding”?

SEC rules permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process is called “householding.” This reduces the volume of duplicate information received at your household and helps to reduce costs. We may household your materials based on your prior express or implied consent. A number of brokerage firms have instituted householding. Once a stockholder has received notice from his or her broker that the broker will be householding communications to the stockholder’s address, householding will continue until the stockholder is notified otherwise or until one or more of the stockholders revokes his or her consent.

If you would like to receive your own set of our proxy statement and related materials now or in the future, or if you share an address with another Galectin Therapeutics stockholder and together both of you would like to receive only a single set of our proxy materials in the future, please contact your broker (if you hold your shares in “street name”). Be sure to indicate your name, the name of your brokerage firm or bank, and your account number(s). You can also request prompt delivery of a copy of the proxy statement and related materials by contacting our Corporate Secretary at Galectin Therapeutics, 4960 Peachtree Industrial Blvd., Suite 240, Norcross, GA 30071, Attention: Corporate Secretary; telephone: 678-620-3186; e-mail: callicutt@galectintherapeutics.com.

How and when may I submit a stockholder proposal for next year’s annual meeting?

To be considered for inclusion in next year’s proxy materials, your proposal must be submitted in writing to our Corporate Secretary at 4960 Peachtree Industrial Blvd., Suite 240, Norcross, GA 30071. With respect to proposals made pursuant to Rule 14a-8 promulgated under the Securities Exchange Act of 1934 (the “Exchange Act”), the proposal must be received by our Corporate Secretary by June 15, 2027 for inclusion in our proxy statement and form of proxy. In addition, all stockholder proposals submitted outside of the stockholder proposal rules promulgated pursuant to Rule 14a-8 under the Exchange Act, including nominations of director candidates, must be received by our Corporate Secretary by no later than September 4, 2027 nor earlier than August 5, 2027, in order to be considered timely.

Notwithstanding the foregoing, if the date of the 2027 annual meeting of stockholders is scheduled to take place on a date that is more than 30 calendar days from the one year anniversary of the 2026 Annual Meeting of Stockholders, then we will promptly disclose, by in a Quarterly Report on Form 10-Q or in a current report on Form 8-K, the date by which a nominating stockholder or nominating-stockholder group must submit a proposal to us (i) pursuant to Rule 14a-8 promulgated under the Exchange Act or (ii) outside of the stockholder proposal rules promulgated pursuant to Rule 14a-8 under the Exchange Act, including nominations of director candidates.

You are also advised to review our bylaws, which contain additional requirements about advance notice of stockholder proposals and director nominations.

In addition, to comply with the universal proxy rules, stockholders who intend to solicit proxies in support of director nominees other than the Company's nominees must provide notice that sets forth the information required by Rule 14a-19 under the Exchange Act no later than October 4, 2027 (60 calendar days prior to the anniversary date of the 2026 Annual Meeting). This requirement is in addition to the advance notice requirements under the Company's bylaws described above.

Where can I find the voting results?

We will report the voting results on Form 8-K within four business days after the end of our 2026 Annual Meeting of stockholders. If final voting results are not available to us in time to file a current report on Form 8-K within four business days after the 2026 Annual Meeting, we intend to file a current report on Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an additional current report on Form 8-K to publish the final results.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth, as of September 22, 2026, certain information concerning the beneficial ownership of our Common Stock and Series A Preferred Stock by (i) each person known by us to own beneficially five percent (5%) or more of the outstanding shares of each class, (ii) each of our directors, new director nominee and named executive officers, and (iii) all of our executive officers, directors and new director nominee as a group. The table also sets forth, in its final column, the combined voting power of the voting securities on all matters presented to the stockholders for their approval at the 2026 Annual Meeting.

The number of shares beneficially owned by each 5% stockholder, director or executive officer is determined under the rules of the Securities and Exchange Commission, or SEC, and the information is not necessarily indicative of beneficial ownership for any other purpose. Under those rules, beneficial ownership includes any shares as to which the individual or entity has sole or shared voting power or investment power and also any shares that the individual or entity has the right to acquire within 60 days after September 22, 2026 through the exercise of any stock option, warrant or other right, or the conversion of any security. Unless otherwise indicated, each person or entity has sole voting and investment power (or shares such power with his or her spouse) with respect to the shares set forth in the following table. The inclusion in the table below of any shares deemed beneficially owned does not constitute an admission of beneficial ownership of those shares.

Under its charter, the Nominating and Corporate Governance Committee is required to establish and recommend criteria for service as a director, including matters relating to professional skills and experience, Board composition, potential conflicts of interest and manner of consideration of individuals proposed by management or stockholders for nomination. Board Determination of Director Independence

Our board of directors has reviewed the materiality of any relationship that each of our directors has with the Company, either directly or indirectly. Our board of directors also determined that Drs. Amelio, Carson Sr., Schwartz and Mr. Freeman, who comprise our nominating and governance committee, all satisfy the independence standards for such committees established by the SEC and the NASDAQ Marketplace Rules, as applicable. With respect to our audit committee, our board of directors has determined that Messrs. Furthermore, the Nominating and Corporate Governance Committee, with concurrence by the Board, has determined that Mr. Zordani is an “audit committee financial expert” within the meaning of SEC rules. With respect to our compensation committee, our board of directors has determined that Drs. Omenn, Amelio and Mr. Freeman satisfy the independence standards for such committee established by Rule 10C-1 under the Exchange Act, the SEC and the NASDAQ Marketplace Rules, as applicable.

In making such determinations, the board of directors considered the relationships that each such non-employee director or director nominee has with our company and all other facts and circumstances the board of directors deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each

non-employee director. In considering the independence of our directors, our board of directors considered the association of each such non-employee director has with us and all other facts and circumstances our board of directors deemed relevant in determining independence.

Clawback Policy

The SEC adopted final rules implementing the incentive-based compensation recovery provisions of the Dodd-Frank Act, and Nasdaq has adopted listing standards consistent with the SEC rules. In compliance with those standards, we have adopted an incentive compensation recoupment policy, or "clawback" policy, which applies to our executive officers, within the meaning of Section 10D of the Exchange Act and Rule 10D-1 promulgated thereunder, who were employed by the Company during the applicable recovery period. Under the policy, in the event that the financial results upon which a cash or equity-based incentive award was predicated become the subject of a financial restatement that is required because of material non-compliance with financial reporting requirements, the Compensation Committee will conduct a review of awards covered by the policy and recoup any erroneously awarded incentive-based compensation to ensure that the ultimate payout gives retroactive effect to the financial results as restated. The Company may not indemnify any such covered officer against the loss of such recovered compensation.

Insider Trading Policy

We have an Insider Trading Policy applicable to our directors, officers, and all employees of the Company (the "Insider Trading Policy"). The Insider Trading Policy governs the purchase, sale, and/or other dispositions of our securities and prohibits purchasing or selling any of our securities while a person covered by the Insider Trading Policy is aware of material, non-public information concerning the Company or its securities. We believe that our Insider Trading Policy is reasonably designed to promote compliance with insider trading laws, rules and regulations, and the exchange listing standards of the Nasdaq Stock Market.

Policies with Respect to Transactions with Related Persons

The Nominating and Corporate Governance Committee and the Board have adopted a Code of Ethics, which is available at www.galectintherapeutics.com, that sets forth various policies and procedures intended to promote the ethical behavior of the Company's employees, officers and directors. The Code of Ethics describes our policy on conflicts of interest.

The executive officers and the Board are also required to complete a questionnaire on an annual basis that requires them to disclose any related person transactions and potential conflicts of interest. The responses to these questionnaires are reviewed by outside corporate counsel, and, if a transaction is reported by an independent director or executive officer, the questionnaire is submitted to the Chairperson of the Audit Committee for review. If necessary, the Audit Committee will determine whether the relationship is material and will have any effect on the director's independence. After making such determination, the Audit Committee will report its recommendation on whether the transaction should be approved or ratified by the entire Board.

On March 31, 2025, the Company and Mr. Uihlein entered into a Supplemental Line of Credit Letter Agreement (the "March 2025 Supplemental Credit Agreement"), providing for a line of credit of up to \$5.0 million available through September 30, 2025. On June 30, 2025, the Company drew the full \$5.0 million under this facility. Each advance under the March 2025 Supplemental Credit Agreement is evidenced by an unsecured, convertible promissory note bearing interest at the Applicable Federal Rate for short-term loans plus 2%. At the election of the Lender, principal and accrued interest may be converted into shares of Common Stock at the closing price on the date of the applicable Promissory Note, subject to a \$3.00 per share floor. In connection with this facility, the Company agreed to issue warrants to purchase up to 100,000 shares of Common Stock, with exercise prices equal to 150% of the closing price on the applicable draw date (subject to a \$3.00 floor and \$10.00 cap), expiring July 31, 2029.

On July 8, 2025, the Company and Mr. Uihlein entered into a Supplemental Line of Credit Letter Agreement (the "July 2025 Supplemental Credit Agreement"), providing for a line of credit of up to \$10.0 million available through April 30, 2026. On December 31, 2025, the Company drew the full \$10.0 million under this facility. Each advance under the July 2025 Supplemental Credit Agreement is evidenced by an unsecured, convertible promissory note bearing interest at the Applicable Federal Rate for short-term loans plus 2%. At the election of the Lender, principal and accrued interest may be converted into shares of Common Stock at the closing price on the date of the applicable Promissory Note, subject to a \$3.00 per share floor. In connection with this facility, the Company agreed to issue warrants to purchase up to 200,000 shares of Common Stock, with exercise prices equal to 150% of the closing price on the applicable draw date (subject to a \$3.00 floor and \$10.00 cap), expiring July 31, 2029. Additionally, in connection with the July 2025 Supplemental Credit Agreement, the maturity dates of all prior Convertible Notes Payable and borrowings under prior Lines of Credit with Mr. Uihlein were extended to September 30, 2026.

On December 19, 2025, the Company and Mr. Uihlein entered into a Supplemental Line of Credit Letter Agreement (the "December 2025 Supplemental Credit Agreement"), providing for a line of credit of up to \$10.0 million available through January 31, 2027. Each advance under the December 2025 Supplemental Credit Agreement is evidenced by an unsecured, convertible promissory note bearing interest at the Applicable Federal Rate for short-term loans plus 2%. Principal and interest are due on or before June 30, 2027. At the election of the Lender, principal and accrued interest may be converted into shares of Common Stock at the closing price on the date of the applicable Promissory Note, subject to a \$4.38 per share floor. In connection with this facility, the Company agreed to issue warrants to purchase up to 200,000 shares of Common Stock, with exercise prices equal to 150% of the closing price on the applicable draw date. The December 2025 Supplemental Credit Agreement also extended the maturity dates of all prior borrowings from Mr. Uihlein to June 30, 2027. As of June 30, 2026, no amounts had been drawn under the December 2025 Supplemental Line of Credit.

On July 31, 2026, Mr. Uihlein elected to convert all outstanding convertible promissory notes issued under the prior line of credit facilities into shares of Common Stock. The conversion resulted in the elimination of \$91.0 million in aggregate principal and approximately \$14.8 million in aggregate accrued interest (approximately \$105.8 million in total) in exchange for the issuance of 34,376,167 shares of Common Stock. Each note was converted at the conversion price specified therein, subject to a \$3.00 per share floor price, resulting in a blended average conversion price of approximately \$3.07 per share. The issuance was exempt from registration under Section 3(a)(9) of the Securities Act of 1933, as amended. Following the conversion, Mr. Uihlein beneficially owns approximately 44.3% of the outstanding voting power on an actual basis and approximately 49.3% of the outstanding voting power (calculated in accordance with Rule 13d-3 under the Securities Exchange Act of 1934, as amended, including shares issuable upon exercise of outstanding warrants). The shares of Common Stock issued remain subject to restrictions on resale. The Company and Mr. Uihlein agreed that any registration rights with respect to the 34,376,167 shares issued remain in full force and effect in accordance with the terms of the credit

facilities, and further agreed that the Company's obligation to file a registration statement (or a post-effective amendment or supplement to an existing registration statement) with the Securities and Exchange Commission registering the resale of the 34,376,167 shares shall not arise until Mr. Uihlein delivers written notice to the Company requesting the filing of such registration statement (the "Registration Request Notice"). Upon receipt of the Registration Request Notice, the Company shall file the registration statement within 180 days of the date of such notice and shall use commercially reasonable efforts to cause such registration statement to become effective as promptly as practicable thereafter.

As of the date of this Proxy Statement, the December 2025 Supplemental Line of Credit remains outstanding, undrawn, and available to the Company in accordance with its terms and was not affected by the conversion.

Compensation Committee Interlocks and Insider Participation

None of our executive officers or directors serves as a member of the board of directors or compensation committee of any entity that has one or more of its executive officers serving as a member of our Board of Directors or Compensation Committee.

Director Nomination Process

The Nominating and Corporate Governance, or Nominating Committee, is responsible for, among other things, selection of candidates for the annual slate of directors other than nominees, if any, nominated by parties that have a contractual right to nominate persons for election.

When identifying and evaluating candidates, the Nominating Committee first determines whether there are any evolving needs of the Board that require an expert in a particular field. The Nominating Committee may retain a third-party search firm to assist it in locating qualified candidates that meet the needs of the Board at that time. The search firm would provide information on a number of candidates, which the Nominating Committee discusses. The Nominating Committee chair and some or all of the members of the Nominating Committee, and the Chief Executive Officer, will interview potential candidates that the Nominating Committee deems appropriate. If the Nominating Committee determines that a potential candidate meets the needs of the Board, has the qualifications, and meets the independence standards required by NASDAQ rules, it will recommend the nomination of the candidate to the Board. It is the Nominating Committee's policy to consider director candidates recommended by stockholders, if such recommendations are properly submitted to the Company. Stockholders wishing to recommend persons for consideration by the Nominating Committee as nominees for election to the Board can do so by writing to the Corporate Secretary of Galectin Therapeutics Inc. at 4960 Peachtree Industrial Blvd., Suite 240, Norcross, GA 30071. Recommendations must include the proposed nominee's name, biographical data and qualifications, as well as a written statement from the proposed nominee consenting to be named and, if nominated and elected, to serve as a director. Recommendations must also follow the Company's procedures for nomination of directors by stockholders (see the information under the subheadings "Nominating and Corporate Governance Committee" and "Criteria and Diversity"). The Nominating Committee will consider the candidate and the candidate's qualifications in the same manner in which it evaluates nominees identified by the Nominating Committee. The Nominating Committee may contact the stockholder making the nomination to discuss the qualifications of the candidate and the stockholder's reasons for making the nomination. The Nominating Committee may then interview the candidate if it deems the candidate to be appropriate. The Nominating Committee may use the services of a third-party search firm to provide additional information about the candidate prior to making a recommendation to the Board.

The Nominating Committee's nomination process is designed to ensure that the Nominating Committee fulfills its responsibility to recommend candidates who are properly qualified to serve the Company for the benefit of all of its stockholders, consistent with the standards established by the Nominating Committee under our corporate governance principles. The Nominating Committee did not receive any director nominee recommendations from stockholders for the 2026 Annual Meeting.

Communication with the Board

The Board and management encourage communication from our stockholders. Stockholders who wish to communicate with our management should direct their communication to the Corporate Secretary of the Company, 4960 Peachtree Industrial Blvd., Suite 240, Norcross, GA 30071. Stockholders, or other interested parties, who wish to communicate with the non-management directors, or any individual director should direct their communication c/o the Corporate Secretary at the address above. The Secretary will forward communications intended for the Board

to the Chairman of the Nominating and Corporate Governance Committee of the Board, currently Dr. Amelio, or, if intended for an individual director, to that director. If multiple communications are received on a similar topic, the Secretary may, in his or her discretion, forward only representative correspondence. Any communications that are abusive, in bad taste or present safety or security concerns may be handled differently.

Board Leadership Structure

Our Board structure, which separates the positions of Chairman and Chief Executive Officer, allows the Chairman to focus on the management of the Board of Directors and the CEO to focus on the management of the Company and the research and clinical trials that it is undertaking. Independent directors and management have different perspectives and roles in strategy development. Our independent directors bring experience, oversight and expertise from outside the Company and industry. The Board believes that the separation of the roles of the Chairman and Chief Executive Officer promotes strategy development and execution, and facilitates information flow between management and the Board, which are essential to effective governance.

Executive Sessions

Pursuant to our corporate governance principles or as required by NASDAQ rules, non-management directors of the Board meet from time to time without the presence of management. The Chairman generally chairs these sessions.

Meeting Attendance

During 2025, there were 10 meetings of the Board. Each currently serving director attended at least 75% of the total meetings of the Board and committees of the Board of which the director was a member, during the time such person was a director. In addition to participation at Board and committee meetings, our directors discharge their responsibilities throughout the year through personal meetings and other communications, including considerable telephone contact with the Chairman and Chief Executive Officer and others regarding matters of interest and concern to the Company.

We do not have a formal policy requiring members of the Board to attend the annual meeting, although all directors are strongly encouraged to attend. At the 2025 annual meeting of stockholders, which was held virtually online, all of the then current board members were present.

Risk Management

The Board has an active role, as a whole and also at the committee level, in overseeing management of our risks. The Board regularly reviews information regarding our credit, liquidity and operations, as well as the risks associated with each. The Compensation Committee of our Board is responsible for overseeing the management of risks relating to our executive compensation plans and arrangements. The Audit Committee of our Board oversees management of financial risks. The Nominating and Corporate Governance Committee of our Board manages risks associated with the independence of the Board members and potential conflicts of interest. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire Board of Directors is regularly informed through committee reports about such risks.

We believe that any risks arising from our policies and programs are not reasonably likely to have a material adverse effect on the Company. Our programs reflect sound risk management practices including:

- Use of multiple compensation vehicles that provide a balance of long- and short-term incentives with fixed and variable components; and
- Equity incentive awards that generally vest over several years, so while the potential compensation payable for equity incentive awards is tied directly to appreciation of our stock price, taking excessive risk for a short-term gain is discouraged because it would not maximize the value of equity incentive awards over the long-term.

Report of the Audit Committee

The Audit Committee is responsible for providing independent, objective oversight of Galectin Therapeutics' accounting functions and internal control over financial reporting. The Audit Committee has reviewed and discussed audited financial statements for Galectin Therapeutics with management. The Audit Committee also has discussed with

Cherry Bekaert LLP the matters required to be discussed by the Statement on Auditing Standards No. 61, *Communication With Audit Committees* (as amended), which includes, among other items, matters related to the conduct of the annual audit of our Company's financial statements. The Audit Committee has also received and reviewed the written disclosures and the letter from Cherry Bekaert LLP, as required by applicable requirements of the Public Company Accounting Oversight Board, regarding the communications by Cherry Bekaert LLP with the Audit Committee concerning independence and has discussed with Cherry Bekaert LLP its independence from Galectin Therapeutics.

Based upon the review and discussions referred to above, the Audit Committee recommended to our Board of Directors that the audited financial statements of Galectin Therapeutics for the 2025 fiscal year be included in the Annual Report filed on Form 10-K for the year ended December 31, 2025.

By the Audit Committee of the Board of Directors of Galectin Therapeutic Inc.

EXECUTIVE COMPENSATION**COMPENSATION PHILOSOPHY DISCUSSION**

The Compensation Committee is responsible for creating and reviewing the compensation of the Company's executive officers, as well as overseeing the Company's compensation and benefit plans and policies and administering the Company's equity incentive plans. The following Compensation Philosophy Discussion ("Compensation Discussion") describes our 2025 executive compensation program and explains the Company's compensation philosophy, policies, and practices, focusing primarily on the compensation of our named executive officers, or NEOs. This Compensation Discussion is intended to be read in conjunction with the tables that follow, which provide detailed historical compensation information for our following NEOs:

Name	Title
Joel Lewis	Chief Executive Officer and President
Khurram Jamil, M.D.	Chief Medical Officer
Jack W. Callicutt	Chief Financial Officer

Compensation Philosophy

The Company believes in providing a competitive total compensation package to its executives through a combination of base salary, annual performance bonuses, and long-term equity awards. The executive compensation program is designed to achieve the following objectives:

- provide competitive compensation that will help attract, retain and reward qualified executives;
- align executives' interests with our success by making a portion of the executive's compensation dependent upon corporate performance; and
- align executives' interests with the interests of stockholders by including long-term equity incentives.

The Compensation Committee believes that the Company's executive compensation program should include annual and long-term components, including cash and equity-based compensation, and should reward consistent performance that meets or exceeds expectations. The Compensation Committee evaluates both performance and compensation to make sure that the compensation provided to executives remains competitive relative to compensation paid by companies of similar size and stage of development operating in the life sciences industry and taking into account the Company's relative performance and its own strategic objectives.

Executive Compensation Review and Design

The Company has historically conducted a review of the aggregate level of its executive compensation, as well as the mix of elements used to compensate its NEOs. The Company has based this review primarily on the experience of the members of the Compensation Committee and our Board, many of whom sit on the boards of directors of, or have previously advised, numerous companies, including companies in the life sciences industry.

At our last "Say-on-Pay vote" held at our 2025 annual meeting of stockholders approximately 96% of votes cast were in favor of the compensation of our NEOs, as disclosed in the proxy materials for the 2025 annual meeting. At our 2022 annual meeting, the holders of approximately 90% of our outstanding common stock voting on the matter voted in favor of holding the stockholder advisory vote every three years. As a result of such vote, our Board decided to hold the "Say-on-Pay" advisory vote every three years.

Several years ago, the Compensation Committee undertook a review of our compensation policies and practices and retained the compensation consulting firm of Barney & Barney LLC to provide compensation information and analysis with respect to the life science and healthcare industry and with respect to our peer companies within the industry. Barney & Barney LLC reviewed information from industry and other sources, surveys and databases, including publicly-available compensation information of other companies with which we compete, to gauge the competitiveness of our compensation programs. Barney & Barney LLC then reported its findings to the Compensation Committee, with recommendations to bring the Company's executive compensation closer to the 50th percentile of the total compensation of our competitor companies. These findings continued to inform the Compensation Committee's decisions on compensation in subsequent years, including 2025.

The Compensation Committee may use a compensation consultant in the future and will take into account publicly-available data relating to the compensation practices and policies of other companies within and outside our

industry. The Compensation Committee intends to benchmark its executive compensation program to target at least the 50th percentile of the total compensation programs of our competitor companies; however, adjusted as deemed to be in the best interest of the Company to assure retention of key employees during the NAVIGATE trial and as the Company analyzes data from the NAVIGATE trial.

Elements of Executive Compensation

The compensation program for the Company's NEOs consists principally of three components:

- base salary;
- performance and retention bonuses;
- long-term compensation in the form of equity-based awards.

Base Salary

Base salary is the only fixed-pay component in our executive compensation program. Base salaries for the NEOs are initially established through arm's-length negotiation at the time the NEO is hired, taking into account such NEO's qualifications, experience, prior salary, the scope of his or her responsibilities, and known competitive market compensation paid by other companies for similar positions within the industry. Base salaries are reviewed annually and adjusted from time to time to realign salaries with market levels after taking into account individual responsibilities, performance, and experience. In making decisions regarding salary increases, the Company may also draw upon the experience of members of the Compensation Committee and the Board of Directors, many of whom sit on the boards of directors of, or have previously advised, numerous companies, including companies in the life sciences industry. The Compensation Committee has not previously applied specific formulas to determine increases. This strategy is consistent with the Company's intent of offering base salaries that are cost-effective while remaining competitive.

Name	2025 Base Salary	2024 Base Salary
Joel Lewis	\$624,000	\$624,000
Khurram Jamil, M.D. ⁽¹⁾	\$500,000	\$500,000
Jack W. Callicutt	\$400,000	\$400,000

(1) Dr. Jamil joined the Company in March 2024 and was promoted to Chief Medical Officer effective August 1, 2024 and his base salary was adjusted to \$500,000.

Performance Bonuses

In addition to the payment of base salaries, the Company believes that annual performance bonuses can play an important role in providing appropriate incentives to its NEOs to achieve the Company's strategic objectives.

In prior years, performance bonuses were awarded based on the Company's Employee Short-Term and Long-Term Incentive Program (the "Program"), which was adopted for executives and employees of the Company. The Program is a performance-based program and was adopted in recognition of the importance of aligning executive and employee interests with that of our stockholders. Our Program is designed to reward the efforts of our executives and employees and to be competitive in attracting and retaining them. There are two elements of the Program: (1) a short-term incentive in the form of cash bonuses and (2) a long-term incentive in the form of stock option grants. The cash bonus incentive is targeted to be up to 30% to 50% of the NEO's base salary as of the end of the applicable year. Half of each NEO's annual performance bonus is based upon achievement of the Company's documented performance objectives for the year and the other half is based upon achievement of individual performance objectives set for the year. The 2025 performance bonuses payments were split with half paid in January 2026 and half to be paid in March 2026, if the employee had not voluntarily resigned by that date.

Name	Performance Bonus Amount	Awarded Amount As % of Base Salary
Joel Lewis	\$312,000	50%
Khurram Jamil, M.D.	\$150,000	30%
Jack W. Callicutt	\$120,000	30%

Long-Term Incentive Compensation

The Company believes that by providing its NEOs the opportunity to increase their ownership of Company stock, the interests of its NEOs will be more closely-aligned with the best interests of the Company's stockholders and it will encourage long-term performance. The stock awards enable the NEOs to participate in the appreciation in the value of the Company's stock, while personally participating in the risks of business setbacks.

Under the long-term incentive portion of the Program, the NEOs are granted options based upon achievement of the Company performance and individual performance objectives and rank in the Company. All option grants under the Program through December 2019 were made under the 2009 Incentive Compensation Plan. Grants made after January 1, 2020, were made pursuant to the 2019 Omnibus Equity Incentive Plan.

On January 23, 2025, Mr. Lewis, Dr. Jamil and Mr. Callicutt were awarded the options noted below based on 2024 performance. For the performance options, 25% vest on each of June 30, 2025, December 31, 2025, June 30, 2026, and December 31, 2026. The exercise price of the options is set at the closing price of our stock as of the grant date.

Name	Grant Date	Number of Securities Underlying Options	Exercise Price
Joel Lewis	1/23/2025	91,000	\$1.23
Khurram Jamil	1/23/2025	65,000	\$1.23
Jack W. Callicutt	1/23/2025	65,000	\$1.23

Also, on January 23, 2025, Mr. Lewis, Dr. Jamil and Mr. Callicutt were granted restricted stock units of 84,000, 60,000 and 60,000 shares, respectively. The restricted stock units vested on January 1, 2026.

Policies and Practices Related to the Grant of Certain Equity Awards

Our equity awards, including stock options, are granted in accordance with a predetermined schedule, which coincides with regularly scheduled Compensation Committee meetings that are scheduled approximately one year in advance. Annual grants of equity awards, including stock options, to our NEOs and members of the Board are approved during the regularly scheduled meeting of the Compensation Committee in January after the end of our fiscal year.

The Compensation Committee may also grant equity awards to individuals upon hire or promotion to executive officer positions or appointment to the Board. Recipients are notified shortly after Compensation Committee approval of their grant, noting the number of stock options, shares of time-based stock, target performance-based stock awards and goals, the vesting schedule, and exercise price. Any sales restrictions or other terms of the award are also communicated at that time.

During 2025, the Company has not made any option awards to any employee or named executive officer during the period beginning four business days before the filing of a periodic report on Form 10-Q or Form 10-K or the filing or furnishing of a current report on Form 8-K that discloses material nonpublic information (other than a current report on Form 8-K disclosing a material new option award grant under Item 5.02(e) of that form), and ending one business day after the filing or furnishing of such report. The Company does not grant equity awards in anticipation of, or immediately following, the release of material nonpublic information. Similarly, we do not time the release of material nonpublic information based on equity award grant dates.

Material Terms of Employment Contracts of Named Executive Officers

Set forth below are descriptions of the principal terms of the employment agreements for each of our NEOs. Each employment agreement provides for post-termination restrictive covenants and payments due upon termination of employment or change in control of the Company, which is provided in further detail under the section entitled “Potential Payments Upon Termination or Change in Control.”

Joel Lewis, Chief Executive Officer

In connection with the appointment of Mr. Lewis, the Company and Mr. Lewis entered into an employment agreement, dated August 31, 2020 (the “Employment Agreement”), and a Deferred Stock Unit Agreement, dated August 31, 2020 (the “DSU Agreement”). The Employment Agreement has an initial term of two years and automatically renews for additional one-year terms thereafter, unless either Mr. Lewis or the Company elects not to renew. Mr. Lewis will serve as Chief Executive Officer of the Company effective as of September 2, 2020 (the “Start Date”), and will be paid an annual base salary of \$500,000. Under the terms of the Employment Agreement, 20% of his base salary will be paid in cash, and 80% will be paid in the form of deferred-stock-units (“DSUs”) in accordance with the terms and subject to the provisions set forth in the DSU Agreement. In addition, Mr. Lewis is entitled to participate in the Company’s performance bonus plan with a potential of up to 50% of his annual base salary, which will also be paid 20% in cash and 80% in DSUs. Further, Mr. Lewis received on the date of the agreement an initial grant of options to purchase 250,000 shares of the Company’s common stock, par value \$0.001 per share, which options shall vest one-twelfth on a quarterly basis for twelve consecutive quarters, such that the options shall be fully vested twelve quarters following the date of grant (the “Award”). The options under the Award shall be issued pursuant to the Company’s 2019 Omnibus Equity Incentive Plan (the “Plan”). Pursuant to the Employment Agreement, Mr. Lewis is also eligible to receive healthcare benefits as may be provided from time to time by the Company to its employees generally, to participate in the Company’s 401(k) plan and to receive paid time off annually in accordance with the Company’s policies in effect from time to time. Finally, pursuant to the Employment Agreement, the Company will be required to furnish a lump sum cash payment to Mr. Lewis upon a termination of Mr. Lewis without “Cause” or upon Mr. Lewis’ resignation for “Good Reason” as such terms are defined in the Employment Agreement or in the event the Company gives notice of non-renewal on or before September 30, 2023. The Employment Agreement includes customary intellectual property, assignment, and other representations by Mr. Lewis.

On July 25, 2022, we entered into amendments to the Employment Agreement and DSU Agreement with Mr. Lewis. Pursuant to the amendments, Mr. Lewis’ base salary earned in 2023 will be paid 20% in cash and 80% in DSUs. Additionally, the term of the Employment Agreement was extended until December 31, 2024. Unless either party gives written notice of non-renewal at least 60 days prior to December 31, 2024, the amended employment agreement will automatically renew for an additional twelve months. Also, if either Mr. Lewis terminates his employment for Good Reason (ii) the Company terminates Mr. Lewis’s employment without Cause, or if this Employment Agreement expires as a result of the Company giving written notice of non-renewal, then the Company shall pay to Mr. Lewis (1) any accrued benefits, (2) a lump sum amount equal to twelve (12) months of Mr. Lewis’s base salary payable within thirty (30) days after the date of such termination, and (3) the performance bonus, if any, for the year in which termination occurs, based on actual individual and Company performance results and multiplied by a fraction, (A) the numerator of which shall be the number of days elapsed from the beginning of the fiscal year in which such termination occurs and (B) the denominator of which shall be 365; provided, however, that the portion of the performance bonus payable in the form of DSUs, will be paid in accordance with the terms of the DSU Award Agreements. Notwithstanding the foregoing, the payments described in clauses above are expressly conditioned upon Mr. Lewis executing returning a full release of the Company and its affiliates and from all obligations and any usual and customary indemnification obligations of the Company to Mr. Lewis as an officer thereof.

The Deferred Stock Unit Agreement with Mr. Lewis specifies that 20% of his base salary and performance bonuses will be paid in cash, and 80% will be paid in the form of deferred stock units (“DSUs”) through

December 31, 2022 in accordance with the terms and subject to the provisions set forth in the DSU Agreement. DSUs credited to Mr. Lewis as of any date shall be fully vested and nonforfeitable at all times. Additionally, a 2023 DSU Agreement was executed in July 2022, whereby Mr. Lewis would continue to receive 20% of salary in cash and 80% in DSUs for 2023. The shares under the 2023 DSU Agreement are to be issued fifty percent on March 1, 2025 and fifty percent on January 5, 2026.

Khurram Jamil, M.D., Chief Medical Officer

On August 1, 2024, the Company entered into an Employment Agreement with Dr. Jamil (the "Jamil Employment Agreement"), which governs the terms of Dr. Jamil's employment in his position as the Company's Chief Medical Officer. Dr. Jamil will serve as the Chief Medical Officer of the Company during an initial term that commences on August 1, 2024 (the "Commencement Date") and expires on August 1, 2025 (the "Initial Term"). Following the Initial Term, the term of the Agreement automatically renews for successive twelve (12) month terms unless either party provides the other party with notice of non-renewal at least sixty (60) days prior to the expiration of the then-current term. Under the Agreement, the Company has agreed to pay Dr. Jamil a base salary of \$500,000 per year (the "Base Salary"). Provided that certain performance objectives are met, Dr. Jamil will also be entitled to receive an annual performance bonus equal to thirty percent (30%) of the Base Salary (the "Performance Bonus"). Subject to certain restrictions described in the Agreement, Dr. Jamil was granted options to purchase 100,000 shares (the "Options") of the Company's common stock and restricted stock units for 10,000 shares of the Company's common stock pursuant to the Company's 2019 Omnibus Equity Incentive Plan. The Options vest as follows: twenty-five percent (25%) of the Options shall vest upon each of October 31, 2024; January 31, 2025; April 30, 2025; and July 31, 2025. The restricted stock units vesting only would occur if the Company presented top-line results from its NAVIGATE clinical trial by the end of 2024. The restricted stock units vested on December 20, 2024.

Prior to his appointment as Chief Medical Officer, on March 11, 2024, Dr. Jamil joined the Company as vice president of clinical development and medical director. His annual salary was \$400,000. He also was granted options to purchase 150,000 shares of the Company's common stock which vest one-third at each of the first three anniversaries of his employment date. Additionally, he was granted restricted stock units for 10,000 shares of the Company's common stock. The restricted stock units vesting only would occur if the Company presented top-line results from its NAVIGATE clinical trial by the end of 2024. The restricted stock units vested on December 20, 2024.

Jack W. Callicutt, Chief Financial Officer

We entered into an employment agreement with Mr. Callicutt dated July 1, 2013 (the "Callicutt Employment Agreement"), in conjunction with Mr. Callicutt's appointment as our Chief Financial Officer. Pursuant to the terms of the Callicutt Employment Agreement, Mr. Callicutt received an initial base salary of \$175,000 and was eligible to receive a performance bonus equal to 20% of his base salary. Effective March 31, 2015, Mr. Callicutt's annual base salary was increased to \$240,000, and his annual base salary was increased again to \$260,000 in February 2016. In June 2018, Mr. Callicutt's annual base salary increased to \$285,000. He also received a signing bonus of \$10,000. In addition to his cash compensation, the Company awarded Mr. Callicutt a grant of options to purchase 200,000 shares of the Company's Common Stock at an exercise price equal to the closing price of the Company's Common Stock on July 1, 2013, with 25,000 shares vesting on December 31, 2013, 50,000 shares vesting on December 31, 2014, 50,000 shares vesting on December 31, 2015 and 75,000 shares vesting on December 31, 2016. The options were granted pursuant to the 2009 Incentive Compensation Plan and expire ten years after the date of grant.

On August 11, 2017, we entered into an amendment to the Callicutt Employment Agreement with Mr. Callicutt (the "Amendment"). Pursuant to the Amendment, (i) Mr. Callicutt's target bonus opportunity was increased to 30% of his base salary and (ii) an error in the severance provision of the Callicutt Employment Agreement was corrected. Prior to the Amendment, the Callicutt Employment Agreement did not provide for any severance if Mr. Callicutt's employment was terminated by the Company "without cause," or by Mr. Callicutt for "good reason" after the date that was 24 months after the Commencement Date.

Employee Benefits & Perquisites

From time to time, the Company has provided the NEOs with employee benefits and perquisites that our Board believes are reasonable. Our NEOs are eligible to participate in the same broad-based employee benefit plans that are offered to our other employees, such as health insurance, disability insurance, life insurance and a 401(k) plan. These benefits are provided as part of the basic conditions of employment for all of our employees, and therefore providing them to our NEOs does not represent a significant incremental cost to us. The Company does not view employee benefits and perquisites as a significant element of its comprehensive compensation structure, but does believe they can be useful in attracting, motivating, and retaining the executive talent for which the Company competes. The Company believes that these additional benefits may assist the NEOs in performing their duties and provide time efficiencies for the NEOs in appropriate circumstances, and the Company may consider providing additional employee benefits and perquisites in the future. All future practices regarding employee benefits and perquisites will be approved and subject to periodic review by the Compensation Committee.

2019 Omnibus Equity Incentive Plan

Under the 2019 Omnibus Equity Incentive Plan, if there is a merger or consolidation of the Company with or into another corporation or a sale of substantially all of the Company's stock (a "Corporate Transaction"), and the outstanding awards are not assumed by surviving company (or its parent company) or replaced with economically equivalent awards granted by the surviving company (or its parent company), the Company will cancel any outstanding awards that are not vested and nonforfeitable as of the consummation of such Corporate Transaction (unless the Company accelerates the vesting of any such awards) and with respect to any vested and nonforfeitable awards, the Company may either (i) allow all grantees to exercise options and SARs within a reasonable period prior to the consummation of the Corporate Transaction and cancel any outstanding options or SARs that remain unexercised upon consummation of the Corporate Transaction, or (ii) cancel any or all of such outstanding awards (including options and SARs) in exchange for a payment (in cash, or in securities or other property) in an amount equal to the amount that the grantee would have received (net of the exercise price with respect to any options or SARs) if the vested awards were settled or distributed or such vested options and SARs were exercised immediately prior to the consummation of the Corporate Transaction. If an exercise price of the option or SAR exceeds the fair market value of our Common Stock and the option or SAR is not assumed or replaced by the surviving company (or its parent company), such options and SARs will be cancelled without any payment to the grantee.

Potential Payments Upon Termination or Change-in-Control

Joel Lewis:

If either Mr. Lewis terminates his employment for Good Reason (ii) the Company terminates Mr. Lewis's employment without Cause, or if this Employment Agreement expires as a result of the Company giving written notice of non-renewal, then the Company shall pay to Mr. Lewis (1) any accrued benefits, (2) a lump sum amount equal to twelve (12) months of Mr. Lewis's base salary payable within thirty (30) days after the date of such termination, and (3) the performance bonus, if any, for the year in which termination occurs, based on actual individual and Company performance results and multiplied by a fraction, (A) the numerator of which shall be the number of days elapsed from the beginning of the fiscal year in which such termination occurs and (B) the denominator of which shall be 365; provided, however, that the portion of the performance bonus payable in the form of DSUs, will be paid in accordance with the terms of the DSU Award Agreements. Notwithstanding the foregoing, the payments described in clauses above are expressly conditioned upon Mr. Lewis executing returning a full release of the Company and its affiliates and from all obligations and any usual and customary indemnification obligations of the Company to Mr. Lewis as an officer thereof.

Under the Deferred Stock Unit Agreement, if a Change in Control of the Company occurs prior to the date on which Mr. Lewis is scheduled to receive shares and cash in an installment payment or in a lump sum (a "Settlement Date"), Mr. Lewis' account will be credited with the consideration payable in such Change in Control with respect to the shares subject to the DSUs then credited to Mr. Lewis' Account immediately prior to such Change in Control. If Mr. Lewis' employment with the Company continues after a Change in Control, Mr. Lewis' account will be credited with the cash value of the portion of his base salary and annual performance bonus that would have been credited in the form of DSUs but for the Change in Control. The portion of Mr. Lewis' Account denominated in cash pursuant to the preceding sentence (i.e., the amount attributable to base salary and annual performance bonuses credited to Mr. Lewis' Account after the Change in Control) shall be credited with interest at three (3%) percent compounded annually. For avoidance of doubt, a Change in Control shall not result in acceleration of the settlement of Mr. Lewis' Account and the payment of all amounts or other property credited to Mr. Lewis' Account in connection with the Change in Control shall be paid or delivered to Mr. Lewis on as soon as reasonably practicable after the Settlement Date.

Khurram Jamil, M.D.:

Under the Employment Agreement with Dr. Jamil, if (i) Dr. Jamil terminates the Agreement for Good Reason (as defined in the Agreement) or (ii) the Company terminates the Agreement without Cause (as defined in the Agreement), then the Company shall pay to Dr. Jamil: (1) the Base Salary accrued through the date of termination,

(2)(A) if termination occurs within twelve (12) months of the Commencement Date, an amount equal to three (3) months of the Base Salary, or (B) if such termination occurs after the twelve-month anniversary of the Commencement Date, but prior to the eighteen-month anniversary of the Commencement Date, an amount equal to six (6) months of the Base Salary or (C) if termination occurs after the eighteen-month anniversary of the Commencement Date, but prior to the twenty four-month anniversary of the Commencement Date, an amount equal to nine (9) months of Base Salary or (D) if termination occurs after the twenty four-month anniversary of the Commencement Date, an amount equal to twelve (12) months of the Base Salary, (3) reimbursement of unreimbursed expenses and (4) payment of a portion of the Performance Bonus.

If, within the period ending twelve (12) months after the date of a Change of Control, Dr. Jamil's employment with the Company is (i) terminated without Cause or (ii) terminated for Good Reason by Dr. Jamil, the Company shall pay to Dr. Jamil (A) the Base Salary accrued through the date of termination, to the extent not theretofore paid, (B) Jamil of any unreimbursed expenses, (C) a pro-rated amount of the Performance Bonus assuming payout at maximum performance and (D) an amount equal to twelve (12) months of Base Salary, payable in a lump sum no later than thirty (30) days following such termination. Upon any such Change of Control, Dr. Jamil's unvested Options shall be one hundred percent (100%) vested, but shall otherwise continue to be governed by the terms and conditions of the Plan and the applicable stock option agreement.

Jack Callicutt:

Mr. Callicutt's Employment Agreement provides that if, within the period ending twelve (12) months after the date of a Change of Control, Mr. Callicutt's employment with the Company is (i) without Cause by the Company (or by the acquiring or successor business entity following a Change of Control), or (ii) terminated for Good Reason by Mr. Callicutt, the Company shall pay to Mr. Callicutt (A) the Base Salary accrued through the date of termination, to the extent not theretofore paid, (B) reimbursement of any unreimbursed expenses, (C) a portion of the amount of the Performance Bonus (as defined in the Employment Agreement) equal to the maximum amount of the Performance Bonus multiplied by a fraction, (X) the numerator of which shall be the number of days elapsed from the beginning of the calendar year in which such termination occurs and (Y) the denominator of which shall be the total number of days in the calendar year in which such termination occurs (being 365 in a full year and 184 in 2013) and (D) an amount equal to twelve months of Mr. Callicutt's Base Salary, payable in a lump sum no later than thirty (30) days following such termination. Upon any such Change of Control, Mr. Callicutt's unvested options to purchase shares of the Company's common stock shall be one hundred percent (100%) vested, but shall otherwise continue to be governed by the terms and conditions of the Stock Option Agreement. However, if, in connection with a transaction that technically meets, or may meet, the definition of Change of Control (as defined in the Employment Agreement), Mr. Callicutt's employment by the Company or a successor to the Company is terminated, but Mr. Callicutt is immediately re-hired as an employee of a successor to the Company or surviving company in such a transaction in a comparable position, with the same or greater total annual cash compensation, including bonus potential, and with an employment agreement containing substantially equivalent provisions as this Agreement with respect to termination of the Mr. Callicutt and severance, no benefits shall be payable under the Change of Control provision of the Employment Agreement.

If the amendment to increase our authorized shares of common stock is approved by stockholders at the 2026 Annual Meeting, we intend to file the Certificate of Amendment as soon as practicable following the 2026 Annual Meeting.

Purposes of the Proposed Amendment

As of the date of this proxy and assuming proposal 3 is approved, the Company would only have approximately 26 million authorized shares of common stock remaining for issuance, excluding shares reserved for future issuance under our 2019 Omnibus Equity Incentive Plan and excluding shares reserved for future issuance pursuant to the exercise of outstanding stock instruments. While we believe our current cash resources to be sufficient to fund our operations for at least the next twelve months, we believe that we will need the ability to raise cash in one or more equity financings, including potentially issuing shares to any potential strategic partners, to fund our operations thereafter. This proposal to increase the number of shares of common stock available for issuance will give the Company greater flexibility to conduct such a financing. We do not have any present plan, arrangement or understanding to designate and issue any of the shares of common stock that will become available as a result of this proposed amendment to our Restated Articles of Incorporation. Although, at present, our Board has no immediate plans to issue the additional shares of common stock, it desires to have the shares available to provide additional flexibility to use our common stock for business and financial purposes in the future. The additional 100,000,000 authorized shares of common stock would be available for issuance for various purposes, as our Board may deem advisable, such as for future financings, to satisfy the issuance of shares of common stock on the conversion or exercise of our options, warrants or other convertible securities, to provide equity incentive to employees, officers, consultants and directors, to make stock-based acquisitions and for other general corporate purposes.

The newly authorized common stock would be available for issuance without further action by stockholders except as required by law, our Restated Articles of Incorporation or applicable stock exchange requirements. Any such issuance could have the effect of diluting existing stockholders. Our Restated Articles of Incorporation do not include any preemptive or other rights of stockholders to subscribe for any shares of common stock which may in the future be issued by the Company, which means that current stockholders do not have a prior right to purchase any new issue of common stock in order to maintain their proportionate ownership of common stock.

Rights of Additional Authorized Shares

The additional common stock to be authorized by stockholder approval of this Proposal No. 2 would have rights identical to the currently outstanding shares of our common stock.

Possible Anti-Takeover Effects of the Proposed Amendment

In addition to the corporate purposes mentioned above, an increase in the number of authorized shares of our common stock may make it more difficult to, or discourage an attempt to, obtain control of the Company by means of a takeover bid that the Board determines is not in the best interest of the Company and its stockholders. The amendment to our Restated Articles of Incorporation to increase the number of authorized shares of common stock is not being proposed in response to any known effort or threat to acquire control of the Company and is not part of a plan by management to thwart such efforts.

Vote Required

Approval of the proposed amendment to our Restated Articles of Incorporation requires a majority of all votes entitled to be cast on the matter. Accordingly, abstentions and broker non-votes will have the same effect as a vote “against”.

OUR BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE ADOPTION AND APPROVAL OF AN AMENDMENT TO OUR RESTATED ARTICLES OF INCORPORATION INCREASING THE NUMBER OF COMMON STOCK FROM 150,000,000 TO 250,000,000 SHARES.

PROPOSAL NO. 3
TO APPROVE AN AMENDMENT TO OUR 2019 OMNIBUS EQUITY INCENTIVE PLAN TO
RESERVE AN ADDITIONAL 3,000,000 SHARES FOR ISSUANCE UNDER THE PLAN

On September 30, 2026, upon recommendation by the Compensation Committee, the Board approved, subject to stockholder approval, an amendment to our 2019 Omnibus Equity Incentive Plan (the “Plan”) to reserve 3,000,000 additional shares for issuance under the Plan.

The Plan, as amended to reflect the additional 3,000,000 shares for issuance under the plan, is attached hereto as **Appendix B**, and we urge stockholders to review the Plan carefully.

Under applicable NASDAQ rules, the Company is required to obtain stockholder approval of amendment to the Plan. Stockholder approval of the Plan is also required to comply with the incentive stock options rules under Section 422 of the Code. On October 9, 2026, the closing price of our Common Stock as reported by NASDAQ was \$3.94.

If approved by the Company’s stockholders, the Plan increase would authorize 3,000,000 additional shares for issuance under the Plan. The number of shares under the Plan would increase from 10,000,000 shares to 13,000,000 shares. The material terms of the Plan are as follows:

Objectives of the Plan

The Plan is intended (a) to allow selected employees of and consultants to the Company and its affiliates to acquire or increase equity ownership in the Company, thereby strengthening their commitment to the success of the Company and stimulating their efforts on behalf of the Company, and to assist the Company and its affiliates in attracting new employees, officers and consultants and retaining existing employees and consultants, (b) to optimize the growth of the Company and its affiliates through incentives which are consistent with the Company’s goals, (c) to provide grantees with an incentive for excellence in individual performance, (d) to promote teamwork among employees, consultants and non-Employee directors, and (e) to attract and retain highly qualified persons to serve as non-employee directors and to promote ownership by such non-employee directors of a greater proprietary interest in the Company, thereby aligning such non-employee directors’ interests more closely with the interests of the Company’s stockholders.

Summary of the Plan

The following is a summary of certain principal features of the Plan, as proposed to be adopted. This summary is qualified in its entirety by reference to the complete text of the Plan. Stockholders are urged to read the actual text of the Plan, as proposed to be amended and restated, in its entirety which is set forth as **Appendix B** to this proxy statement.

The Plan will be administered by a committee (the “Incentive Plan Committee” or the “Committee”), which will consist of directors of the Company. However, the Board or the Compensation Committee, as applicable, may reserve administrative powers to itself as the Committee or exercise any of the administrative powers of the Committee. Further, the Board of Directors or the Compensation Committee may delegate any or all of its administrative authority to our Chief Executive Officer or to a management committee, except with respect to awards to executive officers who are subject to Section 16 of the Exchange Act.

The stock delivered to settle awards made under the Plan may be authorized and unissued shares or treasury shares, including shares repurchased by us for purposes of the Plan. If any shares subject to any award granted under the Plan (other than a substitute award) are forfeited or otherwise terminated without delivery of such shares (or if such shares are returned to us due to a forfeiture restriction under such award), the shares subject to such awards will again be available for issuance under the Plan. If any option or other award granted under the Plan is exercised through the tendering of shares or by the withholding of shares by the Company, or withholding tax liabilities arising from such option or other award are satisfied by the tendering of shares (either actually or by attestation) or by the withholding of shares by the Company, then only the number of shares issued net of the shares tendered or withheld shall be counted for purposes of determining the maximum number of shares available for grant under the Plan.

If a dividend or other distribution (whether in cash, shares of Common Stock or other property), recapitalization, forward or reverse stock split, subdivision, consolidation or reduction of capital, reorganization, merger, consolidation, scheme of arrangement, split-up, spin-off or combination involving us or repurchase or exchange of our shares or other securities, or other rights to purchase shares of our securities or other similar transaction or event affects our Common Stock such that the Committee determines that an adjustment is appropriate in order to prevent dilution or enlargement of the benefits (or potential benefits) provided to grantees

(2) *Audit-Related Fees.* These are fees for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements, including financial disclosures made in our equity finance documentation and registration statements filed with the SEC that incorporate financial statements and the auditors’ report thereon and reviewed with our Audit Committee on financial accounting/reporting standards.

The Audit Committee has considered whether the provision of non-core audit services to Galectin Therapeutics by Cherry Bekaert LLP is compatible with maintaining independence.

Pre-Approval Policy and Procedures

The Audit Committee of our Board of Directors has adopted policies and procedures which set forth the manner in which the Committee will review and approve all services to be provided by the independent auditor before the auditor is retained to provide such services. The policy requires Audit Committee pre-approval of the terms and fees of the annual audit services engagement, as well as any changes in terms and fees resulting from changes in audit scope or other items. The Audit Committee also pre-approves, on an annual basis, other audit services, and audit-related and tax services set forth in the policy, subject to estimated fee levels, on a project basis and aggregate annual basis, which have been pre-approved by the Committee.

All other services performed by the auditor that are not prohibited non-audit services under SEC or other regulatory authority rules must be separately pre-approved by the Audit Committee. Amounts in excess of pre-approved limits for audit services, audit-related services and tax services require separate pre-approval of the Audit Committee.

Our Chief Financial Officer reports quarterly to the Audit Committee on the status of pre-approved services, including projected fees. All of the services reflected in the above table were approved by the Audit Committee.

PROPOSALS OF STOCKHOLDERS

To be considered for inclusion in next year's proxy materials, your proposal must be submitted in writing to our Corporate Secretary at 4960 Peachtree Industrial Blvd., Suite 240, Norcross, GA 30071. With respect to proposals made pursuant to Rule 14a-8 promulgated under the Securities Exchange Act of 1934, the proposal must be received by our Corporate Secretary by June 15, 2027 for inclusion in our proxy statement and form of proxy. In addition, all stockholder proposals submitted outside of the stockholder proposal rules promulgated pursuant to Rule 14a-8 under the Exchange Act, including nominations of director candidates, must be received by our Corporate Secretary by no later than September 4, 2027 nor earlier than August 5, 2027, in order to be considered timely.

Notwithstanding the foregoing, if the date of the 2027 annual meeting of stockholders is scheduled to take place on a date that is more than 30 calendar days from the one year anniversary of the 2026 Annual Meeting of Stockholders, then we will promptly disclose, in a Quarterly Report on Form 10-Q or in a current report on Form 8-K, the date by which a nominating stockholder or nominating-stockholder group must submit a proposal to us (i) pursuant to Rule 14a-8 promulgated under the Exchange Act or (ii) outside of the stockholder proposal rules promulgated pursuant to Rule 14a-8 under the Exchange Act, including nominations of director candidates.

You are also advised to review our bylaws, which contain additional requirements about advance notice of stockholder proposals and director nominations.

In addition, to comply with the universal proxy rules, stockholders who intend to solicit proxies in support of director nominees other than the Company's nominees must provide notice that sets forth the information required by Rule 14a-19 under the Exchange Act no later than October 4, 2027 (60 calendar days prior to the anniversary date of the 2026 Annual Meeting). This requirement is in addition to the advance notice requirements under the Company's bylaws described above.

ANNUAL REPORT

Our Annual Report on Form 10-K, filed with the SEC for the fiscal year ended December 31, 2025, may be obtained by our stockholders without charge, upon written request to our Corporate Secretary. You may also download a copy of our Annual Report on Form 10-K by visiting our corporate website at investor.galectintherapeutics.com/financial-information or at www.proxyvote.com.

SEC rules permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process is called “householding.” This reduces the volume of duplicate information received at your household and helps to reduce costs. We may “household” your materials based on your prior express or implied consent. A number of brokerage firms have instituted householding. Once a stockholder has received notice from his or her broker that the broker will be householding communications to the stockholder’s address, householding will continue until the stockholder is notified otherwise or until one or more of the stockholders revokes his or her consent.

If you would like to receive your own set of our proxy statement and related materials now or in the future, or if you share an address with another Galectin Therapeutics stockholder and together both of you would like to receive only a single set of our proxy materials in the future, please contact your broker (if you hold your shares in “street name”). Be sure to indicate your name, the name of your brokerage firm or bank, and your account number(s). You can also request prompt delivery of a copy of the proxy statement and related materials by contacting our Corporate Secretary at Galectin Therapeutics, 4960 Peachtree Industrial Blvd., Suite 240, Norcross, GA 30071, Attention: Corporate Secretary; telephone: 678-620-3186; e-mail: callicutt@galectintherapeutics.com.

AMENDED AND RESTATED 2019 OMNIBUS EQUITY INCENTIVE PLAN**

Article 1.

Effective Date, Objectives and Duration

1.1 Effective Date of the Plan. 1.2 Objectives of the Plan. The Plan is intended (a) to allow selected employees of and consultants to the Company and its Affiliates to acquire or increase equity ownership in the Company, thereby strengthening their commitment to the success of the Company and stimulating their efforts on behalf of the Company, and to assist the Company and its Affiliates in attracting new employees, officers and consultants and retaining existing employees and consultants, (b) to optimize growth of the Company and its Affiliates through incentives which are consistent with the Company’s goals, (c) to provide Grantees with an incentive for excellence in individual performance, (d) to promote teamwork among employees, consultants and Non-Employee Directors, and (e) to attract and retain highly qualified persons to serve as Non-Employee Directors and to promote ownership by such Non-Employee Directors of a greater proprietary interest in the Company, thereby aligning such Non-Employee Directors’ interests more closely with the interests of the Company’s stockholders.

Article 2.

Definitions

Whenever used in the Plan, the following terms shall have the meanings set forth below:

2.1 “Affiliate” means any corporation or other entity, including but not limited to partnerships, limited liability companies and joint ventures, with respect to which the Company, directly or indirectly, owns as applicable (a) stock possessing more than fifty percent (50%) of the total combined voting power of all classes of stock entitled to vote, or more than fifty percent (50%) of the total value of all shares of all classes of stock of such corporation, or (b) an aggregate of more than fifty percent (50%) of the profits interest or capital interest of a non-corporate entity.

The Committee may provide for the use of electronic, internet or other non-paper Award Agreements and the use of electronic, internet or other non-paper means for the acceptance thereof and actions thereunder by the Grantee.

2.4 “Board” means the Board of Directors of the Company.

2.5 “Bonus Shares” means Shares that are awarded to a Grantee with or without cost and without restrictions either in recognition of past performance (whether determined by reference to another employee benefit plan of the Company or otherwise), as an inducement to become an Eligible Person or, with the consent of the Grantee, as payment in lieu of any cash remuneration otherwise payable to the Grantee.

The Committee retains the right and discretion to specify, and may specify, whether a separation from service occurs with respect to those individuals who are performing services for the Company or an Affiliate immediately prior to an asset purchase transaction in which the Company or an Affiliate is the seller and who continue to perform services for the buyer (or an affiliate thereof) immediately following such asset purchase transaction; provided, such specification is made in accordance with the requirements of Treasury Regulation Section 1.409A-1(h)(4).

Notwithstanding the foregoing, if an Award constitutes deferred compensation within the meaning of Code Section 409A, Termination of Affiliation with respect to such Award shall mean the Grantee’s Separation from Service.

Article 3. Administration

3.1 Committee.

(a) Subject to Article 14, and to Section 3.2, the Plan shall be administered by a Committee (the “Incentive Plan Committee” or the “Committee”) of directors of the Company appointed by the Board from time to time. Notwithstanding the foregoing, either the Board or the Compensation Committee may at any time and in one or more instances reserve administrative powers to itself as the Committee or exercise any of the administrative powers of the Committee. The number of members of the Committee may from time to time be increased or decreased as the Board or Compensation Committee deems appropriate. To the extent the Board or Compensation Committee considers it desirable to comply with Rule 16b-3, the Committee shall consist of two or more directors of the Company, all of whom qualify as Section 16 Non-Employee Directors.

(b) The Board or the Compensation Committee may appoint and delegate to another committee (“Management Committee”), or to the CEO, any or all of the authority of the Board or the Committee, as applicable, with respect to Awards to Grantees other than Grantees who are executive officers, Non-Employee Directors, or Section 16 Persons at the time any such delegated authority is exercised.

(c) Unless the context requires otherwise, any references herein to “Committee” include references to the Incentive Plan Committee, the Board or the Compensation Committee to the extent Incentive Plan Committee, the Board or the Compensation Committee, as applicable, has assumed or exercises administrative powers itself as the Committee pursuant to subsection (a), and to the Management Committee or the CEO to the extent either has been delegated authority pursuant to subsection (b), as applicable; provided that (i) for purposes of Awards to Non-Employee Directors, “Committee” shall include only the full Board, and (ii) for purposes of Awards intended to comply with Rule 16b-3, the “Committee” shall include only the Incentive Plan Committee or the Compensation Committee.

3.2 Powers of Committee. Subject to and consistent with the provisions of the Plan (including Article 14), the Committee has full and final authority and sole discretion as follows; provided that any such authority or discretion exercised with respect to a specific Non-Employee Director shall be approved by the affirmative vote of a majority of the members of the Board, even if not a quorum, but excluding the Non-Employee Director with respect to whom such authority or discretion is exercised:

(a) to determine when, to whom and in what types and amounts Awards should be granted;

(b) to grant Awards to Eligible Persons in any number and to determine the terms and conditions applicable to each Award (including the number of Shares or the amount of cash or other property to which an Award will relate, any Exercise Price or purchase price, any limitation or restriction, any schedule for or performance conditions relating to the earning of the Award or the lapse of limitations, forfeiture restrictions, restrictions on exercisability or transferability, any performance goals including those relating to the Company and/or an Affiliate and/or any division thereof and/or an individual, and/or vesting based on the passage of time, based in each case on such considerations as the Committee shall determine);

(c) to determine the benefit payable under any Performance Unit, Performance Share, Dividend Equivalent, Other Stock-Based Award or Cash Incentive Award and to determine whether any performance or vesting conditions have been satisfied;

(d) to determine whether or not specific Awards shall be granted in connection with other specific Awards, and if so, whether they shall be exercisable cumulatively with, or alternatively to, such other specific Awards and all other matters to be determined in connection with an Award;

(e) to determine the Term of any Option or SAR;

(f) to determine the amount, if any, that a Grantee shall pay for Restricted Shares, whether to permit or require the payment of cash dividends thereon to be deferred and the terms related thereto, when Restricted Shares (including Restricted Shares acquired upon the exercise of an Option) shall be forfeited and whether such shares shall be held in escrow;

(g) to determine whether, to what extent and under what circumstances an Award may be settled in, or the exercise price of an Award may be paid in, cash, Shares, other Awards or other property, or an Award may be accelerated, vested, canceled, forfeited or surrendered or any terms of the Award may be waived, and to accelerate the exercisability of, and to accelerate or waive any or all of the terms and conditions applicable to, any Award or any group of Awards for any reason and at any time;

(h) to determine with respect to Awards granted to Eligible Persons whether, to what extent and under what circumstances cash, Shares, other Awards, other property and other amounts payable with respect to an Award will be deferred, either at the election of the Grantee or automatically pursuant to the terms of the Award Agreement;

(i) to offer to exchange or buy out any previously granted Award for a payment in cash, Shares or other Award;

(j) to construe and interpret the Plan and to make all determinations, including factual determinations, necessary or advisable for the administration of the Plan;

(k) to make, amend, suspend, waive and rescind rules and regulations relating to the Plan;

(l) to appoint such agents as the Committee may deem necessary or advisable to administer the Plan;

(m) to determine the terms and conditions of all Award Agreements applicable to Eligible Persons (which need not be identical) and, with the consent of the Grantee, to amend any such Award Agreement at any time, among other things, to permit transfers of such Awards to the extent permitted by the Plan; provided that the consent of the Grantee shall not be required for any amendment (i) which does not adversely affect the rights of the Grantee, or (ii) which is necessary or advisable (as determined by the Committee) to carry out the purpose of the Award as a result of any new applicable law or change in an existing applicable law, or (iii) to the extent the Award Agreement specifically permits amendment without consent;

(n) to cancel, with the consent of the Grantee, outstanding Awards and to grant new Awards in substitution therefor;

(o) to impose such additional terms and conditions upon the grant, exercise or retention of Awards as the Committee may, before or concurrently with the grant thereof, deem appropriate, including limiting the percentage of Awards which may from time to time be exercised by a Grantee;

(p) to make adjustments in the terms and conditions of, and the criteria in, Awards in recognition of unusual or nonrecurring events (including events described in Section 4.2) affecting the Company or an Affiliate or the financial statements of the Company or an Affiliate, or in response to changes in applicable laws, regulations or accounting principles;

(q) to correct any defect or supply any omission or reconcile any inconsistency, and to construe and interpret the Plan, the rules and regulations, and Award Agreement or any other instrument entered into or relating to an Award under the Plan; and

(r) to take any other action with respect to any matters relating to the Plan for which it is responsible and to make all other decisions and determinations as may be required under the terms of the Plan or as the Committee may deem necessary or advisable for the administration of the Plan.

Any action of the Committee with respect to the Plan shall be final, conclusive and binding on all persons, including the Company, its Affiliates, any Grantee, any person claiming any rights under the Plan from or through any Grantee, and stockholders, except to the extent the Committee may subsequently modify, or take further action

not consistent with, its prior action. If not specified in the Plan, the time at which the Committee must or may make any determination shall be determined by the Committee, and any such determination may thereafter be modified by the Committee. The express grant of any specific power to the Committee, and the taking of any action by the Committee, shall not be construed as limiting any power or authority of the Committee. Subject to Section 3.1(b), the Committee may delegate to officers of the Company or any Affiliate the authority, subject to such terms as the Committee shall determine, to perform specified functions under the Plan.

3.3 No Repricings. Notwithstanding any provision in Section 3.2 to the contrary, the terms of any outstanding Option or SAR may not be amended to reduce the Exercise Price of such Option or SAR or cancel any outstanding Option or SAR in exchange for other Options or SARs with an Exercise Price that is less than the Exercise Price of the cancelled Option or SAR or for any cash payment (or Shares having with a Fair Market Value) in an amount that exceeds the excess of the Fair Market Value of the Shares underlying such cancelled Option or SAR over the aggregate Exercise Price of such Option or SAR or for any other Award, without stockholder approval; provided, however, that the restrictions set forth in this Section 3.3, shall not apply (i) unless the Company has a class of stock that is registered under Section 12 of the Exchange Act or (ii) to any adjustment allowed under to Section 4.2.

Article 4.

Shares Subject to the Plan

4.1 Number of Shares Available for Grants. Subject to adjustment as provided in Section 4.2 and except as provided in Section 5.6(b), the maximum number of Shares hereby reserved for delivery under the Plan shall be 13,000,000 Shares. Up to a maximum of 13,000,000 Shares may be delivered pursuant to the exercise of Incentive Stock Options granted hereunder.

If any Shares subject to an Award granted hereunder (other than a Substitute Award granted pursuant to Section 5.6(b)) are forfeited or such Award otherwise terminates without payment or delivery of such Shares or if such Award is settled in cash, the Shares subject to such Award, to the extent of any such forfeiture, termination or cash settlement, shall again be available for grant under the Plan. In the event that any Option or other Award granted hereunder is exercised through the tendering of Shares (either actually or by attestation) or by the withholding of Shares by the Company, or withholding tax liabilities arising from such option or other award are satisfied by the tendering of Shares (either actually or by attestation) or by the withholding of Shares by the Company, then only the number of Shares issued net of the Shares tendered or withheld shall be counted for purposes of determining the maximum number of Shares available for grant under the Plan.

The number of Shares available for issuance under the Plan may not be increased through the Company's purchase of Shares on the open market with the proceeds obtained from the exercise of any Options granted hereunder.

Shares delivered pursuant to the Plan may be, in whole or in part, authorized and unissued Shares, or treasury Shares, including Shares repurchased by the Company for purposes of the Plan.

4.2 Adjustments in Authorized Shares and Awards; Corporate Transaction, Liquidation or Dissolution.

(a) Adjustment in Authorized Shares and Awards. In the event that the Committee determines that any dividend or other distribution (whether in the form of cash, Shares, or other property), recapitalization, forward or reverse stock split, subdivision, consolidation or reduction of capital, reorganization, merger, consolidation, scheme of arrangement, split-up, spin-off or combination involving the Company or repurchase or exchange of Shares or other securities of the Company or other rights to purchase Shares or other securities of the Company, or other similar corporate transaction or event affects the Shares such that any adjustment is determined by the Committee to be appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan, then the Committee shall, in such manner as it may deem equitable, adjust any or all of (i) the number and type of Shares (or other securities or property) with respect to which Awards may be granted, (ii) the number and type of Shares (or other securities or property) subject to outstanding Awards, (iii) the Exercise Price with respect to any Option or SAR or, if deemed appropriate, make provision for a cash payment to the holder of an outstanding Award, and (iv) the number and kind of Shares of outstanding Restricted Shares, or the Shares underlying any other form of Award. Notwithstanding the foregoing, no such adjustment shall be authorized with respect to any Options or SARs to the extent that such adjustment would cause the Option or SAR to violate Section 424(a) of the Code or otherwise subject any Grantee to taxation under Section 409A of the Code; and *provided further* that the number of Shares subject to any Award denominated in Shares shall always be a whole number.

(b) Merger, Consolidation or Similar Corporate Transaction. In the event of a merger or consolidation of the Company with or into another corporation or a sale of substantially all of the stock of the Company (a "Corporate Transaction"), unless an outstanding Award is assumed by the Surviving Company or replaced with an equivalent Award granted by the Surviving Company in substitution for such outstanding Award, the Committee shall cancel any outstanding Awards that are not vested and nonforfeitable as of the consummation of such Corporate Transaction (unless the Committee accelerates the vesting of any such Awards) and with respect to any vested and nonforfeitable Awards, the Committee may either (i) allow all Grantees to exercise such Awards of Options and SARs within a reasonable period prior to the consummation of the Corporate Transaction and cancel any outstanding Options or SARs that remain unexercised upon consummation of the Corporate Transaction, or (ii) cancel any or all of such outstanding Awards in exchange for a payment (in cash, or in securities or other property) in an amount equal to the amount that the Grantee would have received (net of the Exercise Price with respect to any Options or SARs) if such vested Awards were settled or distributed or such vested Options and SARs were exercised immediately prior to the consummation of the Corporate Transaction. Notwithstanding the foregoing, if an Option or SAR is not assumed by the Surviving Company or replaced with an equivalent Award issued by the Surviving Company and the Exercise Price with respect to any outstanding Option or SAR exceeds the Fair Market Value of the Shares immediately prior to the consummation of the Corporation Transaction, such Awards shall be cancelled without any payment to the Grantee.

(c) Liquidation or Dissolution of the Company. In the event of the proposed dissolution or liquidation of the Company, each Award will terminate immediately prior to the consummation of such proposed action, unless otherwise provided by the Committee. Additionally, the Committee may, in the exercise of its sole discretion, cause Awards to be vested and non-forfeitable and cause any conditions on any such Award to lapse, as to all or any part of such Award, including Shares as to which the Award would not otherwise be exercisable or non-forfeitable and allow all Grantees to exercise such Awards of Options and SARs within a reasonable period prior to the consummation of such proposed action. Any Awards that remain unexercised upon consummation of such proposed action shall be cancelled.

(d) Deferred Compensation. Notwithstanding the forgoing provisions of this Section 4.2, if an Award constitutes deferred compensation within the meaning of Code Section 409A, no payment or settlement of such Award shall be made pursuant to Section 4.2(b) or (c), unless the Corporate Transaction or the dissolution or liquidation of the Company, as applicable, constitutes a Change in Control.

Article 5.

Eligibility and General Conditions of Awards

5.1 Eligibility. The Committee may in its discretion grant Awards to any Eligible Person, whether or not he or she has previously received an Award; provided, however, that all Awards made to Non-Employee Directors shall be determined by the Board in its sole discretion.

5.2 Award Agreement. To the extent not set forth in the Plan, the terms and conditions of each Award shall be set forth in an Award Agreement.

5.3 General Terms and Termination of Affiliation. The Committee may impose on any Award or the exercise or settlement thereof, at the date of grant or, subject to the provisions of Section 15.2, thereafter, such additional terms and conditions not inconsistent with the provisions of the Plan as the Committee shall determine, including terms requiring forfeiture, acceleration or pro-rata acceleration of Awards in the event of a Termination of Affiliation by the Grantee. Except as may be required under the Delaware General Corporation Law, Awards may be granted for no consideration other than prior and future services. Except as set forth in an Award Agreement or as otherwise determined by the Committee, (a) all Options and SARs that are not vested and exercisable at the time of a Grantee's Termination of Affiliation, and any other Awards that remain subject to a risk of forfeiture or which are not otherwise vested at the time of the Grantee's Termination of Affiliation shall be forfeited to the Company unless the Committee accelerates vesting of such Awards within thirty (30) days after such Grantee's Termination of Affiliation and (b) all outstanding Options and SARs not previously exercised shall expire three months after the Grantee's Termination of Affiliation.

5.4 Nontransferability of Awards.

(a) Each Award and each right under any Award shall be exercisable only by the Grantee during the Grantee's lifetime, or, if permissible under applicable law, by the Grantee's guardian or legal representative or

by a transferee receiving such Award pursuant to a qualified domestic relations order (a “QDRO”) as defined in the Code or Title I of the Employee Retirement Income Security Act of 1974, as amended, or the rules thereunder.

(b) No Award (prior to the time, if applicable, Shares are delivered in respect of such Award), and no right under any Award, may be assigned, alienated, pledged, attached, sold or otherwise transferred or encumbered by a Grantee otherwise than by will or by the laws of descent and distribution (or in the case of Restricted Shares, to the Company) or pursuant to a QDRO, and any such purported assignment, alienation, pledge, attachment, sale, transfer or encumbrance shall be void and unenforceable against the Company or any Affiliate; provided that the designation of a beneficiary to receive benefits in the event of the Grantee’s death shall not constitute an assignment, alienation, pledge, attachment, sale, transfer or encumbrance.

(c) Notwithstanding subsections (a) and (b) above, to the extent provided in the Award Agreement or as otherwise approved by the Committee, Options (other than Incentive Stock Options) and Restricted Shares, may be transferred, without consideration, to a Permitted Transferee. For this purpose, a “Permitted Transferee” in respect of any Grantee means any member of the Immediate Family of such Grantee, any trust of which all of the primary beneficiaries are such Grantee or members of his or her Immediate Family, or any partnership (including limited liability companies and similar entities) of which all of the partners or members are such Grantee or members of his or her Immediate Family; and the “Immediate Family” of a Grantee means the Grantee’s spouse, children, stepchildren, grandchildren, parents, stepparents, siblings, grandparents, nieces and nephews. Such Option may be exercised by such transferee in accordance with the terms of the Award Agreement. If so determined by the Committee, a Grantee may, in the manner established by the Committee, designate a beneficiary or beneficiaries to exercise the rights of the Grantee, and to receive any distribution with respect to any Award upon the death of the Grantee. A transferee, beneficiary, guardian, legal representative or other person claiming any rights under the Plan from or through any Grantee shall be subject to and consistent with the provisions of the Plan and any applicable Award Agreement, except to the extent the Plan and Award Agreement otherwise provide with respect to such persons, and to any additional restrictions or limitations deemed necessary or appropriate by the Committee.

(d) Nothing herein shall be construed as requiring the Committee to honor a QDRO except to the extent required under applicable law.

5.5 Cancellation and Rescission of Awards. Unless the Award Agreement specifies otherwise, the Committee may cancel, rescind, suspend, withhold, or otherwise limit or restrict any unexercised Award at any time if the Grantee is not in compliance with all applicable provisions of the Award Agreement and the Plan or if the Grantee has a Termination of Affiliation.

5.6 Stand-Alone, Tandem and Substitute Awards.

(a) Awards granted under the Plan may, in the discretion of the Committee, be granted either alone or in addition to, in tandem with, or in substitution for, any other Award granted under the Plan unless such tandem or substitution Award would subject the Grantee to tax penalties imposed under Section 409A of the Code. If an Award is granted in substitution for another Award or any non-Plan award or benefit, the Committee shall require the surrender of such other Award or non-Plan award or benefit in consideration for the grant of the new Award. Awards granted in addition to or in tandem with other Awards or non-Plan awards or benefits may be granted either at the same time as or at a different time from the grant of such other Awards or non-Plan awards or benefits; provided, however, that if any SAR is granted in tandem with an Incentive Stock Option, such SAR and Incentive Stock Option must have the same Grant Date, Term and the Exercise Price of the SAR may not be less than the Exercise Price of the Incentive Stock Option.

(b) The Committee may, in its discretion and on such terms and conditions as the Committee considers appropriate in the circumstances, grant Awards under the Plan (“Substitute Awards”) in substitution for stock and stock-based awards (“Acquired Entity Awards”) held by current or former employees or non-employee directors of, or consultants to, another corporation or entity who become Eligible Persons as the result of a merger or consolidation of the employing corporation or other entity (the “Acquired Entity”) with the Company or an Affiliate or the acquisition by the Company or an Affiliate of property or stock of the Acquired Entity immediately prior to such merger, consolidation or acquisition in order to preserve for the Grantee the

economic value of all or a portion of such Acquired Entity Award at such price as the Committee determines necessary to achieve preservation of economic value. The limitations in Section 4.1 on the number of Shares reserved or available for grants shall not apply to Substitute Awards granted under this Section 5.6(b).

5.7 Compliance with Rule 16b-3.

(a) Six-Month Holding Period Advice. Unless a Grantee could otherwise dispose of or exercise a derivative security or dispose of Shares delivered under the Plan without incurring liability under Section 16(b) of the Exchange Act, the Committee may advise or require a Grantee to comply with the following in order to avoid incurring liability under Section 16(b) of the Exchange Act: (i) at least six months must elapse from the date of acquisition of a derivative security under the Plan to the date of disposition of the derivative security (other than upon exercise or conversion) or its underlying equity security, and (ii) Shares granted or awarded under the Plan other than upon exercise or conversion of a derivative security must be held for at least six months from the date of grant of an Award.

(b) Reformation to Comply with Exchange Act Rules. To the extent the Committee determines that a grant or other transaction by a Section 16 Person should comply with applicable provisions of Rule 16b-3 (except for transactions exempted under alternative Exchange Act rules), the Committee shall take such actions as necessary to make such grant or other transaction so comply, and if any provision of this Plan or any Award Agreement relating to a given Award does not comply with the requirements of Rule 16b-3 as then applicable to any such grant or transaction, such provision will be construed or deemed amended, if the Committee so determines, to the extent necessary to conform to the then applicable requirements of Rule 16b-3.

(c) Rule 16b-3 Administration. Any function relating to a Section 16 Person shall be performed solely by the Committee or the Board if necessary to ensure compliance with applicable requirements of Rule 16b-3, to the extent the Committee determines that such compliance is desired. Each member of the Committee or person acting on behalf of the Committee shall be entitled to, in good faith, rely or act upon any report or other information furnished to him by any officer, manager or other employee of the Company or any Affiliate, the Company's independent certified public accountants or any executive compensation consultant or attorney or other professional retained by the Company to assist in the administration of the Plan.

5.8 Deferral of Award Payouts. The Committee may permit a Grantee to defer, or if and to the extent specified in an Award Agreement require the Grantee to defer, receipt of the payment of cash or the delivery of Shares that would otherwise be due by virtue of the lapse or waiver of restrictions with respect to Restricted Stock Units, the satisfaction of any requirements or goals with respect to Performance Units or Performance Shares, the lapse or waiver of the deferral period for Deferred Stock, or the lapse or waiver of restrictions with respect to Other Stock-Based Awards or Cash Incentive Awards. If the Committee permits such deferrals, the Committee shall establish rules and procedures for making such deferral elections and for the payment of such deferrals, which shall conform in form and substance with applicable regulations promulgated under Section 409A of the Code and Article 16 to ensure that the Grantee is not subjected to tax penalties under Section 409A of the Code with respect to such deferrals. Except as otherwise provided in an Award Agreement, any payment or any Shares that are subject to such deferral shall be made or delivered to the Grantee as specified in the Award Agreement or pursuant to the Grantee's deferral election.

**Article 6.
Stock Options**

6.1 Grant of Options. Subject to and consistent with the provisions of the Plan, Options may be granted to any Eligible Person in such number, and upon such terms, and at any time and from time to time as shall be determined by the Committee.

6.2 Award Agreement. Each Option grant shall be evidenced by an Award Agreement that shall specify the Exercise Price, the Term of the Option, the number of Shares to which the Option pertains, the time or times at which such Option shall be exercisable and such other provisions as the Committee shall determine.

6.3 Option Exercise Price. The Exercise Price of an Option under this Plan shall be determined in the sole discretion of the Committee but may not be less than 100% of the Fair Market Value of a Share on the Grant Date.

6.4 Grant of Incentive Stock Options. At the time of the grant of any Option, the Committee may in its discretion designate that such Option shall be made subject to additional restrictions to permit it to qualify as an Incentive Stock Option. Any Option designated as an Incentive Stock Option:

- (a) shall be granted only to an employee of the Company or a Subsidiary Corporation;
- (b) shall have an Exercise Price of not less than 100% of the Fair Market Value of a Share on the Grant Date, and, if granted to a person who owns capital stock (including stock treated as owned under Section 424(d) of the Code) possessing more than 10% of the total combined voting power of all classes of capital stock of the Company or any Subsidiary Corporation (a "More Than 10% Owner"), have an Exercise Price not less than 110% of the Fair Market Value of a Share on its Grant Date;
- (c) shall be for a period of not more than 10 years (five years if the Grantee is a More Than 10% Owner) from its Grant Date, and shall be subject to earlier termination as provided herein or in the applicable Award Agreement;
- (d) shall not have an aggregate Fair Market Value (as of the Grant Date) of the Shares with respect to which Incentive Stock Options (whether granted under the Plan or any other stock option plan of the Grantee's employer or any parent or Subsidiary Corporation ("Other Plans")) are exercisable for the first time by such Grantee during any calendar year ("Current Grant"), determined in accordance with the provisions of Section 422 of the Code, which exceeds \$100,000 (the "\$100,000 Limit");
- (e) shall, if the aggregate Fair Market Value of the Shares (determined on the Grant Date) with respect to the Current Grant and all Incentive Stock Options previously granted under the Plan and any Other Plans which are exercisable for the first time during a calendar year ("Prior Grants") would exceed the \$100,000 Limit, be, as to the portion in excess of the \$100,000 Limit, exercisable as a separate option that is not an Incentive Stock Option at such date or dates as are provided in the Current Grant;
- (f) shall require the Grantee to notify the Committee of any disposition of any Shares delivered pursuant to the exercise of the Incentive Stock Option under the circumstances described in Section 421(b) of the Code (relating to holding periods and certain disqualifying dispositions) ("Disqualifying Disposition") within 10 days of such a Disqualifying Disposition;
- (g) shall by its terms not be assignable or transferable other than by will or the laws of descent and distribution and may be exercised, during the Grantee's lifetime, only by the Grantee; provided, however, that the Grantee may, to the extent provided in the Plan in any manner specified by the Committee, designate in writing a beneficiary to exercise his or her Incentive Stock Option after the Grantee's death; and
- (h) shall, if such Option nevertheless fails to meet the foregoing requirements, or otherwise fails to meet the requirements of Section 422 of the Code for an Incentive Stock Option, be treated for all purposes of this Plan, except as otherwise provided in subsections (d) and (e) above, as an Option that is not an Incentive Stock Option.

Notwithstanding the foregoing and Section 3.2, the Committee may, without the consent of the Grantee, at any time before the exercise of an Option (whether or not an Incentive Stock Option), take any action necessary to prevent such Option from being treated as an Incentive Stock Option.

6.5 Payment of Exercise Price. Except as otherwise provided in an Award Agreement, Options shall be exercised by the delivery of a written notice of exercise to the Company, setting forth the number of Shares with respect to which the Option is to be exercised, accompanied by full payment for the Shares made by any one or more of the following means:

- (a) cash, personal check or wire transfer;
- (b) with the approval of the Committee, delivery of Common Stock owned by the Grantee prior to exercise, valued at Fair Market Value on the date of exercise;
- (c) with the approval of the Committee, Shares acquired upon the exercise of such Option, such Shares valued at Fair Market Value on the date of exercise;
- (d) with the approval of the Committee, Restricted Shares held by the Grantee prior to the exercise of the Option, valued at Fair Market Value on the date of exercise; or

(e) subject to applicable law (including the prohibited loan provisions of Section 402 of the Sarbanes Oxley Act of 2002), through the sale of the Shares acquired on exercise of the Option through a broker-dealer to whom the Grantee has submitted an irrevocable notice of exercise and irrevocable instructions to deliver promptly to the Company the amount of sale proceeds sufficient to pay for such Shares, together with, if requested by the Company, the amount of federal, state, local or foreign withholding taxes payable by Grantee by reason of such exercise.

The Committee may in its discretion specify that, if any Restricted Shares (“Tendered Restricted Shares”) are used to pay the Exercise Price, (x) all the Shares acquired on exercise of the Option shall be subject to the same restrictions as the Tendered Restricted Shares, determined as of the date of exercise of the Option, or (y) a number of Shares acquired on exercise of the Option equal to the number of Tendered Restricted Shares shall be subject to the same restrictions as the Tendered Restricted Shares, determined as of the date of exercise of the Option.

Article 7.

Stock Appreciation Rights

7.1 Issuance. Subject to and consistent with the provisions of the Plan, the Committee, at any time and from time to time, may grant SARs to any Eligible Person either alone or in addition to other Awards granted under the Plan. Such SARs may, but need not, be granted in connection with a specific Option granted under Article 6. The Committee may impose such conditions or restrictions on the exercise of any SAR as it shall deem appropriate.

7.2 Award Agreements. Each SAR grant shall be evidenced by an Award Agreement in such form as the Committee may approve and shall contain such terms and conditions not inconsistent with other provisions of the Plan as shall be determined from time to time by the Committee.

7.3 SAR Exercise Price. The Exercise Price of a SAR shall be determined by the Committee in its sole discretion; provided that the Exercise Price shall not be less than 100% of the Fair Market Value of a Share on the date of the grant of the SAR.

7.4 Exercise and Payment. Upon the exercise of an SAR, a Grantee shall be entitled to receive payment from the Company in an amount determined by multiplying:

- (a) The excess of the Fair Market Value of a Share on the date of exercise over the Exercise Price; by
- (b) The number of Shares with respect to which the SAR is exercised.

SARs shall be deemed exercised on the date written notice of exercise in a form acceptable to the Committee is received by the Secretary of the Company. The Company shall make payment in respect of any SAR within five (5) days of the date the SAR is exercised. Any payment by the Company in respect of a SAR may be made in cash, Shares, other property, or any combination thereof, as the Committee, in its sole discretion, shall determine or, to the extent permitted under the terms of the applicable Award Agreement, at the election of the Grantee.

Article 8.

Restricted Shares

8.1 Grant of Restricted Shares. Subject to and consistent with the provisions of the Plan, the Committee, at any time and from time to time, may grant Restricted Shares to any Eligible Person in such amounts as the Committee shall determine.

8.2 Award Agreement. Each grant of Restricted Shares shall be evidenced by an Award Agreement that shall specify the Period(s) of Restriction, the number of Restricted Shares granted, and such other provisions as the Committee shall determine. The Committee may impose such conditions and/or restrictions on any Restricted Shares granted pursuant to the Plan as it may deem advisable, including restrictions based upon the achievement of specific performance goals, time-based restrictions on vesting following the attainment of the performance goals, and/or restrictions under applicable securities laws; provided that such conditions and/or restrictions may lapse, if so determined by the Committee, in the event of the Grantee’s Termination of Affiliation due to death, Disability, or involuntary termination by the Company or an Affiliate without Cause.

8.3 Consideration for Restricted Shares. The Committee shall determine the amount, if any, that a Grantee shall pay for Restricted Shares.

8.4 Effect of Forfeiture. If Restricted Shares are forfeited, and if the Grantee was required to pay for such shares or acquired such Restricted Shares upon the exercise of an Option, the Grantee shall be deemed to have

resold such Restricted Shares to the Company at a price equal to the lesser of (x) the amount paid by the Grantee for such Restricted Shares, or (y) the Fair Market Value of a Share on the date of such forfeiture. The Company shall pay to the Grantee the deemed sale price as soon as is administratively practical. Such Restricted Shares shall cease to be outstanding and shall no longer confer on the Grantee thereof any rights as a stockholder of the Company, from and after the date of the event causing the forfeiture, whether or not the Grantee accepts the Company's tender of payment for such Restricted Shares.

8.5 Escrow; Legends. The Committee may provide that the certificates for any Restricted Shares (x) shall be held (together with a stock power executed in blank by the Grantee) in escrow by the Secretary of the Company until such Restricted Shares become nonforfeitable or are forfeited and/or (y) shall bear an appropriate legend restricting the transfer of such Restricted Shares under the Plan. If any Restricted Shares become nonforfeitable, the Company shall cause certificates for such shares to be delivered without such legend.

Article 9.

Performance Units and Performance Shares

9.1 Grant of Performance Units and Performance Shares. Subject to and consistent with the provisions of the Plan, Performance Units or Performance Shares may be granted to any Eligible Person in such amounts and upon such terms, and at any time and from time to time, as shall be determined by the Committee.

9.2 Value/Performance Goals. The Committee shall set performance goals in its discretion which, depending on the extent to which they are met, will determine the number or value of Performance Units or Performance Shares that will be paid to the Grantee.

(a) Performance Unit. Each Performance Unit shall have an initial value that is established by the Committee at the time of grant.

(b) Performance Share. Each Performance Share shall have an initial value equal to the Fair Market Value of a Share on the date of grant.

9.3 Earning of Performance Units and Performance Shares. After the applicable Performance Period has ended, the holder of Performance Units or Performance Shares shall be entitled to payment based on the level of achievement of performance goals set by the Committee.

At the discretion of the Committee, the settlement of Performance Units or Performance Shares may be in cash, Shares of equivalent value, or in some combination thereof, as set forth in the Award Agreement.

If a Grantee is promoted, demoted or transferred to a different business unit of the Company during a Performance Period, then, to the extent the Committee determines that the Award, the performance goals, or the Performance Period are no longer appropriate, the Committee may adjust, change, eliminate or cancel the Award, the performance goals, or the applicable Performance Period, as it deems appropriate in order to make them appropriate and comparable to the initial Award, the performance goals, or the Performance Period.

At the discretion of the Committee, a Grantee may be entitled to receive any dividends or Dividend Equivalents declared with respect to Shares deliverable in connection with vested Performance Shares which have been earned, but not yet delivered to the Grantee.

Article 10.

Deferred Stock and Restricted Stock Units

10.1 Grant of Deferred Stock and Restricted Stock Units. Subject to and consistent with the provisions of the Plan, the Committee, at any time and from time to time, may grant Deferred Stock and/or Restricted Stock Units to any Eligible Person, in such amount and upon such terms as the Committee shall determine. Deferred Stock must conform in form and substance with applicable regulations promulgated under Section 409A of the Code and with Article 16 to ensure that the Grantee is not subjected to tax penalties under Section 409A of the Code with respect to such Deferred Stock.

10.2 Vesting and Delivery.

(a) Delivery with Respect to Deferred Stock. Delivery of Shares subject to a Deferred Stock grant will occur upon expiration of the deferral period or upon the occurrence of one or more of the distribution events described in Section 409A(a)(2) of the Code as specified by the Committee in the Grantee's Award Agreement

for the Award of Deferred Stock. An Award of Deferred Stock may be subject to such substantial risk of forfeiture conditions as the Committee may impose, which conditions may lapse at such times or upon the achievement of such objectives as the Committee shall determine at the time of grant or thereafter. Unless otherwise determined by the Committee, to the extent that the Grantee has a Termination of Affiliation while the Deferred Stock remains subject to a substantial risk of forfeiture, such Deferred Shares shall be forfeited, unless the Committee determines that such substantial risk of forfeiture shall lapse in the event of the Grantee's Termination of Affiliation due to death, Disability, or involuntary termination by the Company or an Affiliate without "cause."

(b) Delivery with Respect to Restricted Stock Units. Delivery of Shares subject to a grant of Restricted Stock Units shall occur no later than the 15th day of the third month following the end of the taxable year of the Grantee or the fiscal year of the Company in which the Grantee's rights under such Restricted Stock Units are no longer subject to a substantial risk of forfeiture as defined in final regulations under Section 409A of the Code. Unless otherwise determined by the Committee, to the extent that the Grantee has a Termination of Affiliation while the Restricted Stock Units remains subject to a substantial risk of forfeiture, such Restricted Stock Units shall be forfeited, unless the Committee determines that such substantial risk of forfeiture shall lapse in the event of the Grantee's Termination of Affiliation due to death, Disability, or involuntary termination by the Company or an Affiliate without "cause."

10.3 Voting and Dividend Equivalent Rights Attributable to Deferred Stock and Restricted Stock Units.

A Grantee awarded Deferred Stock or Restricted Stock Units will have no voting rights with respect to such Deferred Stock or Restricted Stock Units prior to the delivery of Shares in settlement of such Deferred Stock and/or Restricted Stock Units. Unless otherwise determined by the Committee, a Grantee will have the rights to receive Dividend Equivalents in respect of Deferred Stock and/or Restricted Stock Units, which Dividend Equivalents shall be deemed reinvested in additional Shares of Deferred Stock or Restricted Stock Units, as applicable, which shall remain subject to the same forfeiture conditions applicable to the Deferred Stock or Restricted Stock Units to which such Dividend Equivalents relate.

**Article 11.
Dividend Equivalents**

The Committee is authorized to grant Awards of Dividend Equivalents alone or in conjunction with other Awards. The Committee may provide that Dividend Equivalents shall be paid or distributed when accrued or shall be deemed to have been reinvested in additional Shares or additional Awards or otherwise reinvested subject to distribution at the same time and subject to the same conditions as the Award to which it relates; provided, however, that any Dividend Equivalents granted in conjunction with any Award that is subject to forfeiture conditions shall remain subject to the same forfeiture conditions applicable to the Award to which such Dividend Equivalents relate and any payments in respect of any Dividend Equivalents granted in conjunction with any Options or SARs may not be conditioned, directly or indirectly, on the Grantee's exercise of the Options or SARs or paid at the same time that the Options or SARs are exercised. The timing of payment or distribution of Dividend Equivalents must comply with the requirements of Section 409A of the Code.

**Article 12.
Bonus Shares**

Subject to the terms of the Plan, the Committee may grant Bonus Shares to any Eligible Person, in such amount and upon such terms and at any time and from time to time as shall be determined by the Committee.

**Article 13.
Other Stock-Based Awards**

The Committee is authorized, subject to limitations under applicable law, to grant such other Awards that are denominated or payable in, valued in whole or in part by reference to, or otherwise based on, or related to, Shares, as deemed by the Committee to be consistent with the purposes of the Plan, including Shares awarded which are not subject to any restrictions or conditions, convertible or exchangeable debt securities or other rights convertible or exchangeable into Shares, and Awards valued by reference to the value of securities of or the performance of specified Affiliates. Subject to and consistent with the provisions of the Plan, the Committee shall determine the terms and conditions of such Awards. Except as provided by the Committee, Shares delivered pursuant to a purchase right granted under this Article 13 shall be purchased for such consideration, paid for by such methods and in such forms, including cash, Shares, outstanding Awards or other property, as the Committee shall determine.

Article 14.
Non-Employee Director Awards

Subject to the terms of the Plan, the Board may grant Awards to any Non-Employee Director, in such amount and upon such terms and at any time and from time to time as shall be determined by the full Board in its sole discretion. Except as otherwise provided in Section 5.6(b), a Non-Employee Director may not be granted Awards with respect to Shares that have a Fair Market Value (determined as of the date of grant) in excess of \$250,000 in a single calendar year.

Article 15.
Amendment, Modification, and Termination

15.1 Amendment, Modification, and Termination. Subject to Section 15.2, the Board may, at any time and from time to time, alter, amend, suspend, discontinue or terminate the Plan in whole or in part without the approval of the Company's stockholders, except that (a) any amendment or alteration shall be subject to the approval of the Company's stockholders if such stockholder approval is required by any federal or state law or regulation or the rules of any stock exchange or automated quotation system on which the Shares may then be listed or quoted, and (b) the Board may otherwise, in its discretion, determine to submit other such amendments or alterations to stockholders for approval.

15.2 Awards Previously Granted. Except as otherwise specifically permitted in the Plan or an Award Agreement, no termination, amendment, or modification of the Plan shall adversely affect in any material way any Award previously granted under the Plan, without the written consent of the Grantee of such Award.

Article 16.
Compliance with Code Section 409A

16.1 Awards Subject to Code Section 409A. The provisions of this Article 16 shall apply to any Award or portion thereof that is or becomes deferred compensation subject to Code Section 409A (a "409A Award"), notwithstanding any provision to the contrary contained in the Plan or the Award Agreement applicable to such Award.

16.2 Deferral and/or Distribution Elections. Except as otherwise permitted or required by Code Section 409A, the following rules shall apply to any deferral and/or elections as to the form or timing of distributions (each, an "Election") that may be permitted or required by the Committee with respect to a 409A Award:

(a) Any Election must be in writing and specify the amount being deferred, and the time and form of distribution (i.e., lump sum or installments) as permitted by this Plan. An Election may but need not specify whether payment will be made in cash, Shares or other property.

(b) Any Election shall become irrevocable as of the deadline specified by the Committee, which shall not be later than December 31 of the year preceding the year in which services relating to the Award commence; provided, however, that if the Award qualifies as "performance-based compensation" for purposes of Code Section 409A and is based on services performed over a period of at least twelve (12) months, then the deadline may be no later than six (6) months prior to the end of such Performance Period.

(c) Unless otherwise provided by the Committee, an Election shall continue in effect until a written election to revoke or change such Election is received by the Committee, prior to the last day for making an Election for the subsequent year.

16.3 Subsequent Elections. Except as otherwise permitted or required by Code Section 409A, any 409A Award which permits a subsequent Election to further defer the distribution or change the form of distribution shall comply with the following requirements:

(a) No subsequent Election may take effect until at least twelve (12) months after the date on which the subsequent Election is made;

(b) Each subsequent Election related to a distribution upon separation from service, a specified time, or a Change in Control must result in a delay of the distribution for a period of not less than five (5) years from the date such distribution would otherwise have been made; and

(c) No subsequent Election related to a distribution to be made at a specified time or pursuant to a fixed schedule shall be made less than twelve (12) months prior to the date the first scheduled payment would otherwise be made.

16.4 Distributions Pursuant to Deferral Elections. Except as otherwise permitted or required by Code Section 409A, no distribution in settlement of a 409A Award may commence earlier than:

- (a) Separation from Service;
- (b) The date the Participant becomes Disabled (as defined in Section 2.15(b);
- (c) The Participant's death;
- (d) A specified time (or pursuant to a fixed schedule) that is either (i) specified by the Committee upon the grant of the Award and set forth in the Award Agreement or (ii) specified by the Grantee in an Election complying with the requirements of Section 16.2 and/or 16.3, as applicable; or
- (e) A change in ownership of the Company or a substantial portion of its assets within the meaning of Treasury Regulation Section 1.409A-3(i)(5)(v) or (vii) or a change in effective control of the Company within the meaning of Treasury Regulation Section 1.409A-3(i)(5)(vi) (a "Change in Control").

16.5 Six Month Delay. Notwithstanding anything herein or in any Award Agreement or Election to the contrary, to the extent that distribution of a 409A Award is triggered by a Grantee's Separation from Service, if the Grantee is then a "specified employee" (as defined in Treasury Regulation Section 1.409A-1(i)), no distribution may be made before the date which is six (6) months after such Grantee's Separation from Service, or, if earlier, the date of the Grantee's death.

16.6 Death or Disability. Unless the Award Agreement otherwise provides, if a Grantee dies or becomes Disabled before complete distribution of amounts payable upon settlement of a 409A Award, such undistributed amounts, to the extent vested, shall be distributed as provided in the Participants Election. If the Participant has made no Election with respect to distributions upon death or Disability, all such distributions shall be paid in a lump sum within 90 days following the date of the Participant's death or Disability.

16.7 No Acceleration of Distributions. This Plan does not permit the acceleration of the time or schedule of any distribution under a 409A Award, except as provided by Code Section 409A and/or applicable regulations or rulings issued thereunder.

Article 17.

Withholding

17.1 Required Withholding.

(a) The Committee in its sole discretion may provide that when taxes are to be withheld in connection with the exercise of an Option or SAR, or upon the lapse of restrictions on Restricted Shares, or upon the transfer of Shares, or upon payment of any other benefit or right under this Plan (the date on which such exercise occurs or such restrictions lapse or such payment of any other benefit or right occurs hereinafter referred to as the "Tax Date"), the Grantee may elect to make payment for the withholding of federal, state and local taxes, including Social Security and Medicare ("FICA") taxes by one or a combination of the following methods:

- (i) payment of an amount in cash equal to the amount to be withheld (including cash obtained through the sale of the Shares acquired on exercise of an Option or SAR, upon the lapse of restrictions on Restricted Shares, or upon the transfer of Shares, through a broker-dealer to whom the Grantee has submitted an irrevocable instructions to deliver promptly to the Company, the amount to be withheld);
- (ii) delivering part or all of the amount to be withheld in the form of Common Stock valued at its Fair Market Value on the Tax Date;
- (iii) requesting the Company to withhold from those Shares that would otherwise be received upon exercise of the Option or SAR, upon the lapse of restrictions on Restricted Stock, or upon the transfer of Shares, a number of Shares having a Fair Market Value on the Tax Date equal to the amount to be withheld; or
- (iv) withholding from any compensation otherwise due to the Grantee.

The Committee in its sole discretion may provide that the maximum amount of tax withholding upon exercise of an Option or SARs, upon the lapse of restrictions on Restricted Shares, or upon the transfer of Shares, to be satisfied by withholding Shares upon exercise of such Option or SAR, upon the lapse of restrictions on Restricted Shares, or upon the transfer of Shares, pursuant to clause (iii) above shall not exceed the minimum amount of taxes, including FICA taxes, required to be withheld under federal, state and local law. An election by Grantee under this subsection is irrevocable. Any fractional share amount and any additional withholding not paid by the withholding or surrender of Shares must be paid in cash. If no timely election is made, the Grantee must deliver cash to satisfy all tax withholding requirements.

(b) Any Grantee who makes a Disqualifying Disposition (as defined in Section 6.4(f)) or an election under Section 83(b) of the Code shall remit to the Company an amount sufficient to satisfy all resulting tax withholding requirements in the same manner as set forth in subsection (a).

17.2 Notification under Code Section 83(b). If the Grantee, in connection with the exercise of any Option, or the grant of Restricted Shares, makes the election permitted under Section 83(b) of the Code to include in such Grantee's gross income in the year of transfer the amounts specified in Section 83(b) of the Code, then such Grantee shall notify the Company of such election within 10 days of filing the notice of the election with the Internal Revenue Service, in addition to any filing and notification required pursuant to regulations issued under Section 83(b) of the Code. The Committee may, in connection with the grant of an Award or at any time thereafter, prohibit a Grantee from making the election described above.

Article 18.

Additional Provisions

18.1 Successors. Subject to Section 4.2(b), all obligations of the Company under the Plan with respect to Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise of all or substantially all of the business and/or assets of the Company.

18.2 Severability. If any part of the Plan is declared by any court or governmental authority to be unlawful or invalid, such unlawfulness or invalidity shall not invalidate any other part of the Plan. Any Section or part of a Section so declared to be unlawful or invalid shall, if possible, be construed in a manner which will give effect to the terms of such Section or part of a Section to the fullest extent possible while remaining lawful and valid.

18.3 Requirements of Law. The granting of Awards and the delivery of Shares under the Plan shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required. Notwithstanding any provision of the Plan or any Award, Grantees shall not be entitled to exercise, or receive benefits under, any Award, and the Company (and any Affiliate) shall not be obligated to deliver any Shares or deliver benefits to a Grantee, if such exercise or delivery would constitute a violation by the Grantee or the Company of any applicable law or regulation.

18.4 Securities Law Compliance

(a) If the Committee deems it necessary to comply with any applicable securities law, or the requirements of any stock exchange upon which Shares may be listed, the Committee may impose any restriction on Awards or Shares acquired pursuant to Awards under the Plan as it may deem advisable. In addition, if requested by the Company and any underwriter engaged by the Company, Shares acquired pursuant to Awards may not be sold or otherwise transferred or disposed of for such period following the effective date of any registration statement of the Company filed under the Securities Act as the Company or such underwriter shall specify reasonably and in good faith, not to exceed 180 days in the case of the Company's initial public offering or 90 days in the case of any other public offering. All certificates for Shares delivered under the Plan pursuant to any Award or the exercise thereof shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations and other requirements of the SEC, any stock exchange upon which Shares are then listed, any applicable securities law, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions. If so requested by the Company, the Grantee shall make a written representation to the Company that he or she will not sell or offer to sell any Shares unless a registration statement shall be in effect with respect to such Shares under the Securities Act of 1933, as amended, and any applicable state securities law or unless he or she shall have furnished to the Company, in form and substance satisfactory to the Company, that such registration is not required.

(b) If the Committee determines that the exercise or nonforfeiture of, or delivery of benefits pursuant to, any Award would violate any applicable provision of securities laws or the listing requirements of any national securities exchange or national market system on which are listed any of the Company's equity securities, then the Committee may postpone any such exercise, nonforfeiture or delivery, as applicable, but the Company shall use all reasonable efforts to cause such exercise, nonforfeiture or delivery to comply with all such provisions at the earliest practicable date.

18.5 Forfeiture Events. Notwithstanding any provisions herein to the contrary, the Committee shall have the authority to determine (and may so provide in any Award Agreement) that a Grantee's (including his or her estate's, beneficiary's or transferee's) rights (including the right to exercise any Option or SAR), payments and benefits with respect to any Award shall be subject to reduction, cancellation, forfeiture or recoupment (to the extent permitted by applicable law) in the event of the Participant's termination for Cause; serious misconduct; violation of the Company's or an Affiliate's policies; breach of fiduciary duty; unauthorized disclosure of any trade secret or confidential information of the Company or an Affiliate; breach of applicable noncompetition, nonsolicitation, confidentiality or other restrictive covenants; or other conduct or activity that is in competition with the business of the Company or an Affiliate, or otherwise detrimental to the business, reputation or interests of the Company and/or an Affiliate; or upon the occurrence of certain events specified in the applicable Award Agreement (in any such case, whether or not the Grantee is then an Employee or Non-Employee Director). The determination of whether a Grantee's conduct, activities or circumstances are described in the immediately preceding sentence shall be made by the Committee in its discretion, and pending any such determination, the Committee shall have the authority to suspend the exercise, payment, delivery or settlement of all or any portion of such Grantee's outstanding Awards pending any investigation of the matter.

18.6 No Rights as a Stockholder. No Grantee shall have any rights as a stockholder of the Company with respect to the Shares (other than Restricted Shares) which may be deliverable upon exercise or payment of such Award until such Shares have been delivered to him or her. Restricted Shares, whether held by a Grantee or in escrow by the Secretary of the Company, shall confer on the Grantee all rights of a stockholder of the Company, except as otherwise provided in the Plan or Award Agreement. At the time of a grant of Restricted Shares, the Committee may require the payment of cash dividends thereon to be deferred and, if the Committee so determines, reinvested in additional Restricted Shares. Stock dividends and deferred cash dividends issued with respect to Restricted Shares shall be subject to the same restrictions and other terms as apply to the Restricted Shares with respect to which such dividends are issued. The Committee may in its discretion provide for payment of interest on deferred cash dividends.

18.7 Nature of Payments. Unless otherwise specified in the Award Agreement, Awards shall be special incentive payments to the Grantee and shall not be taken into account in computing the amount of salary or compensation of the Grantee for purposes of determining any pension, retirement, death or other benefit under (a) any pension, retirement, profit sharing, bonus, insurance or other employee benefit plan of the Company or any Affiliate, except as such plan shall otherwise expressly provide, or (b) any agreement between (i) the Company or any Affiliate and (ii) the Grantee, except as such agreement shall otherwise expressly provide.

18.8 Non-Exclusivity of Plan. Neither the adoption of the Plan by the Board nor its submission to the stockholders of the Company for approval shall be construed as creating any limitations on the power of the Board to adopt such other compensatory arrangements for employees or Non-Employee Directors as it may deem desirable.

18.9 Governing Law. The Plan, and all agreements hereunder, shall be construed in accordance with and governed by the laws of the Commonwealth of Massachusetts, other than its laws respecting choice or conflicts of law rule or principles that might otherwise refer construction or interpretation of the Plan to the substantive law of another jurisdiction. creation of trusts or make other arrangements to meet the Company's obligations under the Plan to deliver cash, Shares or other property pursuant to any Award which trusts or other arrangements shall be consistent with the "unfunded" status of the Plan unless the Committee otherwise determines.

18.11 Affiliation. Nothing in the Plan or an Award Agreement shall interfere with or limit in any way the right of the Company or any Affiliate to terminate any Grantee's employment or consulting contract at any time, nor confer upon any Grantee the right to continue in the employ of or as an officer of or as a consultant to or Non-Employee Director of the Company or any Affiliate.

18.12 Participation. No employee or officer shall have the right to be selected to receive an Award under this Plan or, having been so selected, to be selected to receive a future Award.

18.15 Headings. The headings of articles and sections are included solely for convenience of reference, and if there is any conflict between such headings and the text of this Plan, the text shall control.

18.16 Obligations. Unless otherwise specified in the Award Agreement, the obligation to deliver, pay or transfer any amount of money or other property pursuant to Awards under this Plan shall be the sole obligation of a Grantee's employer; provided that the obligation to deliver or transfer any Shares pursuant to Awards under this Plan shall be the sole obligation of the Company.
